

PENINSULA CLEAN ENERGY
JPA Board Correspondence
General Counsel

DATE: June 20, 2016
BOARD MEETING DATE: June 23, 2016
SPECIAL NOTICE/HEARING: None
VOTE REQUIRED: Majority

TO: Honorable PCE Joint Powers Board

FROM: John C. Beiers, County Counsel/General Counsel
David A. Silberman, Chief Deputy County Counsel/General Counsel

SUBJECT: Approval of power purchase and related agreements

RECOMMENDATION:

Adopt a Resolution delegating authority to the Chief Executive Officer to:

- (A) Execute the Phase 1 Confirmation Agreement with the Energy Service Provider selected by the Chief Executive Officer with terms consistent with those presented, in a form approved by the General Counsel and for a term of up to 51 months subject to the conditions that the binding final prices received from the selected Energy Service Provider are at or below a level that will (1) permit PCEA to deliver power to its customers at rates that are less than PG&E's currently effective rates (as of June 23, 2016), net of the currently effective Power Charge Indifference Adjustment and Franchise Fee surcharges; and (2) that the PCEA rates referenced above are anticipated to be sufficient to recover all projected power supply expenses, other program operating expenses, scheduled debt service, and yield a rate stabilization reserve of no less than 5% of projected revenues for the twelve month period from October 1, 2016 through September 30, 2017;
- (B) Execute a Master Agreement with terms consistent with those presented, in a form approved by the General Counsel with each of the three short-listed Energy Service Providers; and
- (C) Execute an Intercreditor and Collateral Agency Agreement, Security Agreement and Deposit Account Control Agreement with Wilmington in a form of agreement approved by the General Counsel and transfer funds to Wilmington sufficient to meet contractual obligations under the foregoing agreements.

BACKGROUND:

On June 9, 2016 Staff presented the Board with five template agreements, final versions of which the Board must authorize in order to purchase power for Phase I of the Peninsula Clean Energy launch. The necessary documents were/are as follows:

The “Confirmation”. This agreement will eventually include the actual prices and quantities of energy that we will be purchasing. It also provides for scheduling services to be provided by the Energy Service Provider (“ESP”). We have negotiated final language of the Confirmations with each of the three short-listed ESPs. The goal was that each Confirmation will be as similar to the others as possible so that when the ESPs provide their final prices, the offers are easily comparable. The Board is being asked to authorize the CEO to execute any of three possible Confirmations even though ultimately the CEO will only execute one depending on the ESP she chooses after receiving final pricing.

The Master Agreement and “Cover Sheet”. The Master Agreement is an industry standard form agreement and the “Cover Sheet” modifies it. Among other things, this agreement addresses credit requirements. Like the Confirmation, this document is being negotiated with each of the short-listed ESPs and the intent is that the three versions of the document be negotiated to be as similar as is possible. However, the credit requirements for each ESP can differ significantly as each ESP comes in with a different credit risk. As to the credit requirements we believe that they have been designed in a manner that should provide for a comparable credit risk.

The Intercreditor Agreement, the Security Agreement and the Deposit Account Control Agreement. These three agreements all relate to the creation of a “multi-party lockbox”. Oversimplified, because Peninsula Clean Energy is a brand new entity with limited assets, and absent forms of assurance, ESPs would not be willing to sell PCE energy. One of the assurances that the ESPs are being provided is that PCE is agreeing to place ratepayer revenues into a “lockbox” with instructions that the ESP has a priority interest in the ratepayer funds. The “multiple-party lockbox” will facilitate eventual contracting with multiple ESPs by allowing PCE to authorize distribution of lockbox proceeds to more than one ESP, hence the “multi-party” aspect. The lockbox is managed by a bank. PCE negotiated with Wilmington Delaware to serve as the collateral agent for the lockbox based on its experience serving in that role for Lancaster Clean Energy. Adding complexity, because the “lockbox” structure directly effects the ESPs, the language of these agreements was also negotiated independently with each.

DISCUSSION:

Attached to this memorandum are five final versions of the aforementioned agreements. These agreements were negotiated vigorously over the last five weeks.

A separate Master Agreement was negotiated with each short-listed ESP. The goal of the negotiation was to make each Master Agreement as similar as possible but there are some differences. Staff are presenting only one version of the Master Agreement as

presenting all three versions could put PCE at a competitive disadvantage. The extent that the other two versions have differences, those differences are not material in the overall context of the proposed transaction. Per the direction of the Board on June 9, 2016 the Master Agreement was modified from the version presented on June 9, 2016 to allow each ESP to execute the Master Agreement prior to PCE choosing the one successful ESP. Further, per the Board's direction, the Chief Executive Officer successfully insisted that each ESP agree to do so. This will allow PCE to more efficiently enter into subsequent Confirmation agreements with each of the ESPs, even if the ESP is not ultimately chosen to supply power for Phase I.

A separate Confirmation was negotiated with each short-listed ESP. The goal of the negotiation was also to make each Confirmation as similar as possible but again there are some differences. Staff are presenting only one version of the Confirmation for the same reason. Similarly, to the extent that the other two versions have differences, those differences are not material in the overall context of the proposed transaction. Per the direction of the Board on June 9, 2016 the Confirmation was modified to hold officers and directors of PCE harmless.

Separate versions of the Intercreditor Agreement, the Security Agreement and the Deposit Account Control Agreement were separately negotiated between all three short-listed ESPs as well as Wilmington. While there are some difference, the final version of each agreement is not material different in the overall context of the proposed transaction.

Assuming the Board Authorizes the Chief Executive Officer to execute these agreements, on or about June 27, 2016 Staff will request of the ESPs updated final pricing. In the normal course, PCE will be given (at most) a few hours to select an ESP to supply Phase I energy and execute a Confirmation with that ESP, making it infeasible to bring the decision back to the Board and comply with the requirements of the Brown Act. However, the Chief Executive Officer will only execute the Agreements if the pricing meets the parameters set by the Board at this meeting.

TO (A) EXECUTE THE PHASE 1 CONFIRMATION AGREEMENT WITH THE
ENERGY SERVICE PROVIDER SELECTED BY THE CHIEF EXECUTIVE OFFICER
WITH TERMS CONSISTEN WITH THOSE PRESENTED, IN A FORM APPROVED BY

TO THE CONDITIONS THAT THE BINDING FINAL PRICES RECEIVED FROM THE
SELECTED ENERGY SERVICE PROVIDER ARE AT OR BELOW A LEVEL THAT
WILL (1) PERMIT PCEA TO DELIVER POWER TO ITS CUSTOMERS AT RATES
THAT ARE LESS THAN PG&E's CURRENTLY EFFECTIVE RATES (AS OF JUNE
23, 2016), NET OF THE CURRENTLY EFFECTIVE POWER CHARGE
INDIFFERENCE ADJUSTMENT AND FRANCHISE FEE SURCHARGES; AND (2)
THAT THE PCEA RATES REFERENCED ABOVE ARE ANTICIPATED TO BE
SUFFICIENT TO RECOVER ALL PROJECTED POWER SUPPLY EXPENSES,
OTHER PROGRAM OPERATING EXPENSES, SCHEDULED DEBT SERVICE AND
YIELD A RATE STABILIZATION RESERVE OF NO LESS THAN 5% OF
PROJECTED REVENUES FOR THE TWELVE MONTH PERIOD FROM OCTOBER 1,
2016 THROUGH SEPTEMBER 30, 2017;**

(B) EXECUTE AN EEI MASTER AGREEMENT WITH TERMS CONSISTENT WITH THOSE PRESENTED, IN A FORM APPROVED BY THE GENERAL COUNSEL WITH EACH OF THE SHORT-LISTED ENERGY SERVICE PROVIDERS; AND

(C) EXECUTE AN INTERCREDITOR AND COLLATERAL AGENCY AGREEMENT, SECURITY AGREEMENT AND DEPOSIT ACCOUNT CONTROL AGREEMENT WITH TERMS CONSISTENT WITH THOSE PRESENTED WITH WILMINGTON TRUST, NATIONAL ASSOCIATION IN A FORM OF AGREEMENT APPROVED BY THE GENERAL COUNSEL AND TRANSFER FUNDS TO WILMINGTON TRUST, NATIONAL ASSOCIATION SUFFICIENT TO MEET ALL CONTRACTUAL OBLIGATIONS.

RESOLVED, by the Peninsula Clean Energy Authority of the County of San Mateo, State of California, that

WHEREAS, the Peninsula Clean Energy Authority (“Peninsula Clean Energy” or “PCEA”) was formed on February 29, 2016; and

WHEREAS, launch of service for Phase I is planned for October 2016; and

WHEREAS, Peninsula Clean Energy is ready to purchase energy, renewable energy, carbon free energy, and related products and services (the “Products”) to supply Phase I of its launch; and

WHEREAS, this Spring Peninsula Clean Energy administered a competitive process to select a Contractor capable of providing the Product from energy generating

sources that are cleaner and and have a higher percentage of renewable energy than that provided by the incumbent utility and at competitive prices; and

WHEREAS, at the conclusion of that process, three energy service providers (each, an “Energy Service Provider” or “ESP”) were identified by the selection panel as the ESPs with the most competitive proposals and that indicated their ability to meet the aforementioned goals and Peninsula Clean Energy has negotiated separate EEI Master Agreements (the “Master Agreement”) with each ESP;

WHEREAS, a goal of the negotiations was to make each Master Agreement as similar as possible but there are some differences, which are not material in the overall context of the proposed transaction;

WHEREAS, the Master Agreement is an industry standard framework agreement between an energy purchaser and an energy supplier, which establishes parameters for the relationship between an energy purchaser and energy supplier and does not actually require a purchaser to purchase or a supplier to supply energy;

WHEREAS, PCEA has also negotiated a Confirmation Agreement with each of the three ESPs;

WHEREAS, a Confirmation Agreement is an agreement between an energy purchaser and an energy supplier that binds a purchaser to purchase and a supplier to supply specific quantities of specific types of energy Products at specific prices and is governed by the terms and conditions of the EEI Master Agreement;

WHEREAS, Wilmington Trust, National Association (“Wilmington”) was selected to provide a “multi-party lockbox”, into which PCEA customer payments will be

deposited as security for the power purchase obligations of PCEA, providing further assurance to the chosen ESP that it will receive payment for power supplied;

WHEREAS, three agreements with Wilmington are necessary to establish the “multi-party lockbox”: an Intercreditor and Collateral Agency Agreement, a Security Agreement and a Deposit Account and Control Agreement and forms of these three agreements were negotiated with all three ESPs as well as Wilmington;

WHEREAS, staff is presenting to the Board for its review one form of each of the negotiated agreements (i.e., the Master Agreement, the Confirmation Agreement, the Intercreditor and Collateral Agency Agreement, the Security Agreement, and the Deposit Account and Control Agreement), reference to each should be made for further particulars; there are minor differences in each form of agreement based upon changes requested by each ESP, however, these differences are not material in the overall context of the proposed transaction;

WHEREAS, the Board wishes to delegate to the Chief Executive Officer authority to execute each of the aforementioned agreements for the reasons provided above and because the timing of execution of the Confirmation Agreement makes it infeasible to bring the final selection of the ESP back to the Board and comply with the Brown Act;

NOW, THEREFORE, IT IS HEREBY DETERMINED AND ORDERED that the Board delegates authority to the Chief Executive Officer to:

(A) Execute the Phase 1 Confirmation Agreement with the Energy Service Provider selected by the Chief Executive Officer Executive Director with terms consistent with those presented, in a form approved by the General Counsel and for a term of up to 51

months subject to the conditions that the binding final prices received from the selected Energy Service Provider are at or below a level that will (1) permit PCEA to deliver power to its customers at rates that are less than PG&E's currently effective rates (as of June 23, 2016), net of the currently effective Power Charge Indifference Adjustment and Franchise Fee surcharges; and (2) that the PCEA rates referenced above are anticipated to be sufficient to recover all projected power supply expenses, other program operating expenses, scheduled debt service, and yield a rate stabilization reserve of no less than 5% of projected revenues for the twelve month period from October 1, 2016 through September 30, 2017;

(B) Execute a Master Agreement with terms consistent with those presented, in a form approved by the General Counsel with each of the three short-listed Energy Service Providers; and

(C) Execute an Intercreditor and Collateral Agency Agreement, Security Agreement and Deposit Account Control Agreement with Wilmington in a form of agreement approved by the General Counsel and transfer funds to Wilmington sufficient to meet contractual obligations under the foregoing agreements.

2.3 RPS Standard Terms and Conditions.

STC 6: Eligibility

Seller, and, if applicable, its successors, represents and warrants that throughout the Delivery Period of this Agreement that: (i) the Project qualifies and is certified by the CEC as an Eligible Renewable Energy Resource (“ERR”) as such term is defined in Public Utilities Code Section 399.12 or Section 399.16; and (ii) the Project’s output delivered to Buyer qualifies under the requirements of the California Renewables Portfolio Standard. To the extent a change in law occurs after execution of this Agreement that causes this representation and warranty to be materially false or misleading, it shall not be an Event of Default if Seller has used commercially reasonable efforts to comply with such change in law.

STC REC-1: Transfer of Renewable Energy Credits

Seller and, if applicable, its successors, represents and warrants that throughout the Delivery Period of this Agreement the renewable energy credits transferred to Buyer conform to the definition and attributes required for compliance with the California Renewables Portfolio Standard, as set forth in California Public Utilities Commission Decision 08-08-028, and as may be modified by subsequent decision of the California Public Utilities Commission or by subsequent legislation. To the extent a change in law occurs after execution of this Agreement that causes this representation and warranty to be materially false or misleading, it shall not be an Event of Default if Seller has used commercially reasonable efforts to comply with such change in law.

STC REC-2: Tracking of RECs in WREGIS

Seller warrants that all necessary steps to allow the Renewable Energy Credits transferred to Buyer to be tracked in the Western Renewable Energy Generation Information System will be taken prior to the first delivery under this contract.

STC 17: Governing Law

This Agreement and the rights and duties of the parties hereunder shall be governed by and construed, enforced and performed in accordance with the laws of the state of California, without regard to principles of conflicts of law. To the extent enforceable at such time, each party waives its respective right to any jury trial with respect to any litigation arising under or in connection with this Agreement.

- 2.4 No New Construction. Seller does not intend to construct any new facilities in California to meet its supply obligations hereunder. Notwithstanding the foregoing, if Seller constructs any new facilities in California to meet its supply obligation hereunder, Seller covenants and agrees that the construction and

operation of such facility(ies) will be in accordance with any and all Applicable Laws.

- 2.5 Resources. The Energy provided under this Confirmation may be procured from unit-specific sources under terms and conditions to be agreed to by the Parties; provided, however, that unit-specific sources used to supply Category 2 Renewable Product are not nuclear or coal-fired resources,. For avoidance of doubt, the Parties agree and acknowledge that energy supply from an ACS system is not deemed to be from a "unit-specific source" as used herein. To the extent unit-specific resources have not been agreed to by the Parties, Seller shall use Unspecified Sources to provide the Energy required hereunder. Notwithstanding the foregoing, the Energy supplied in connection with any Renewable Energy shall comply with applicable California RPS requirements for such Product.

The parties hereto agree that if they amend this Transaction, or enter into additional Transactions, that increase the quantity of low carbon Energy to be supplied under the Agreement that they will enter into good faith discussions about the possibility of using low carbon Energy from one or more ACS as a source of supply for some of the desired low carbon Energy; provided that neither party is obligated to amend this Transaction or enter into any additional Transaction to increase the quantity of low carbon Energy and any such obligations shall only arise upon the entering into of a binding written agreement between the parties hereto.

- 2.6 Delivery of WREGIS Certificates. Buyer and Seller agree that the obligation to deliver RECs hereunder shall be evidenced by the delivery of WREGIS Certificates in WREGIS. Throughout the Delivery Period, following generation of the Renewable Energy by the Project(s), Seller shall, at its sole expense, take all actions and execute all documents or instruments necessary to ensure that all WREGIS Certificates associated with the Renewable Energy Contract Quantity are issued and tracked for purposes of satisfying the requirements of the California Renewables Portfolio Standard for Peninsula Clean Energy. Prior to the start of each calendar quarter, Seller shall provide Buyer with an indicative, non-binding forecast of the amount of RECs it expects to deliver during such calendar quarter. Such indicative, non-binding forecast shall also identify, if known to Seller, the Eligible Renewable Energy Resource(s) that Seller expects to generate the RECs. Seller shall comply with all Applicable Laws, including, without limitation, the WREGIS Operating Rules, regarding the certification and transfer of such WREGIS Certificates to Buyer and Buyer shall be given sole title to all such WREGIS Certificates. The Parties acknowledge and agree that, as of the Effective Date, the WREGIS Certificates associated with the Renewable Energy Contract Quantity for a month are not available for transfer to Buyer until approximately ninety (90) days after the end of such month. Seller shall transfer such WREGIS Certificates in a timely manner after such WREGIS Certificates are available for transfer to Buyer for Buyer's sole benefit. Upon receiving written or electronic confirmation from WREGIS that a transfer order has been initiated by Seller, Buyer shall confirm such transfer order in WREGIS within

fourteen (14) days to the extent that the WREGIS Certificates included in such transfer conform to the specifications reflected in this Confirmation. In the event that certain WREGIS Certificates fail to conform to the specifications reflected in this Confirmation, Buyer shall be entitled to reject the transfer of any non-conforming WREGIS Certificates and Seller shall promptly replace the non-conforming WREGIS Certificates with an equivalent amount of WREGIS Certificates of the same REC Vintage and that meet the specifications reflected in this Confirmation; provided, however, that if replacement WREGIS Certificates are not immediately available, Seller may provide replacements once available, but in any event shall provide replacement WREGIS Certificates to Buyer within ninety (90) days after Seller's rejection of such non-conforming WREGIS Certificates. Upon either Party's receipt of notice from WREGIS that a transfer of WREGIS Certificates was not recognized, that Party will immediately notify the other Party, providing a copy of such notice, and both Parties will cooperate in taking such actions as are necessary and commercially reasonable to cause such transfer to be recognized and completed. Each Party agrees to provide copies of its records to the extent reasonably necessary for WREGIS to verify the accuracy of any fact, statement, charge or computation made pursuant hereto if requested by the other Party.

2.7 Retirement of RECs. At the end of each month, Buyer shall provide to Seller updated aggregate account information for Customers to be served during the upcoming month. Buyer shall provide to Seller a daily report of Customer sales based on the meter data reported by PG&E, and Buyer shall submit, or cause to be submitted, settlement quality meter data to the CAISO. Seller shall provide invoices to Buyer based on such daily reports.
10. **BUYER FACILITIES.** Nothing in this Confirmation shall limit Buyer's ability to develop its own generation facilities or purchase energy from other parties ("Buyer Facilities").
11. **CUSTOMIZED PRICING.** From time to time, Buyer may request Seller to prepare customized pricing options for certain large commercial and industrial Customers identified by Buyer and to engage in discussions with such Customers to help them understand their Peninsula Clean Energy Program service options. Examples of these types of products may include, but need not be limited to fixed price offers of varying term lengths, variable price offers, block, or component pass-through products. These products would be offered on an opt-in basis and, to the greatest extent possible, these products will be priced on the individual Customer's usage characteristics. Any such offerings by Seller will be presented to Peninsula Clean Energy Customers by Buyer. Buyer reserves the right in its sole discretion to request and cause to be presented to its Customers competitive proposals for any such services from third-party suppliers. The Parties acknowledge and agree that any customized pricing options, proposals, product offerings prepared or

developed by Seller pursuant to this Section 11 shall only be binding on the Parties upon the mutual written agreement of the Parties.

12. **STANDARD OF CARE AND GOOD FAITH.** When performing its obligations hereunder, Seller shall act in good faith and shall perform all work in a manner consistent with Prudent Utility Practices.

13. **CUSTOMER INFORMATION AND NON-CIRCUMVENTION.**

13.1 Seller shall take all reasonable steps necessary to ensure that confidential information about Customers that Seller receives performing its obligations hereunder ("Customer Information") remains confidential subject to all Applicable Law. Seller acknowledges that the Customer Information could give it, Seller's affiliates or any third party an unfair competitive advantage in the event that Seller, Seller's affiliates or any third party were to utilize such information to compete with Buyer in the provision of Products to Customers. Buyer shall not supply to Seller, directly or through third parties, any Customer specific data on a non-aggregated basis (such as Customer name, energy usage, address, telephone number, social security number, credit score, family size, rate class, bank account number, payment history etc.). The Parties acknowledge that Seller's obligations to provide customized pricing pursuant to Section 11 shall not override the obligations of this Section 13 and Seller may shall provide such pricing to Buyer as required by Section 11. Seller acknowledges that the exceptions to the non-competition provision set forth in (a)

and (b) above are contingent upon Seller complying with the non-use obligation regarding Customer Information set forth in Section 13.1.

14. **MARKETING/INDEMNIFICATION.** Buyer is solely responsible for statements in any of its marketing materials or other public claims made by Buyer related to Buyer's purchase of Product hereunder and for ensuring that such statements comply with applicable federal and state requirements. In addition to, and not in lieu of, any indemnification provisions of the Master Agreement, Buyer agrees to defend, indemnify and hold harmless Seller from and against all claims arising out of or related to the marketing/advertising materials of Buyer related to this Confirmation or the Product transferred hereunder, except to the extent that such claims are due to the negligence, willful fraud, misconduct or deceit of Seller. This indemnification and hold harmless includes but is not limited to tort claims for damages to persons or property, allegations of copyright infringement, plagiarism, unfair competition, trademark infringement, violations of the Lanham Act, defamation, invasion of privacy or governmental or regulator actions.

In the event Buyer fails to provide Seller with any required reports set forth below in Section 15.2(a) and such failure is not remedied within fifteen (15) Business Days of Seller's written request therefore and notice of a potential Event of Default, such failure shall be an Event of Default of Buyer in accordance with Article V of the Master Agreement and Buyer shall therefore be the 'Defaulting Party' with regard to such failure to perform; provided, however, that should any such reports, additional information or clarifications not be available on a timely basis due to a delay in preparation or certification, or otherwise outside of the reasonable control of Buyer, such delay shall not be an Event of Default of Buyer so long as Buyer diligently pursues the preparation and delivery of the required reports, additional information or clarifications.

- (a) Monthly Reports. The following reports shall be provided by Buyer to Seller not later than twenty (20) days following the end of each calendar month for items (i) through (vi) below, and each report shall be with regard to such previous calendar month or other period as applicable:

 - (v) Summary of all Customers added or deleted from the list of Customers served by Buyer, such information shall not include the identity or personal details (name, address, telephone number, family size, social security number, bank account number, credit score, payment history, etc.) of any Customer nor any information that may allow Seller to determine a Customer's identity; and
 - (vi) Summary of all net meter data, grossed-up meter data and the difference between the two amounts on a daily and hourly interval basis.
- (b) Annual Reports. The following report shall be provided by Buyer to Seller not later than 180 days following the end of Buyer's fiscal year, shall be with regard to such previous fiscal year and shall be as follows: Buyer's financial reports consisting of, at a minimum, statement of revenues, expenses and changes in fund net assets, statement of net assets, and statement of cash flows on a consolidating basis (as applicable), each

If at any time after July 1, 2017, Buyer fails to maintain such Debt Service Coverage Ratio for two (2) consecutive quarters (in each case, measured as of the applicable calculation date (as described in Section 15.2(a) above)), such event shall constitute an Event of Default of Buyer in accordance with Article V of the Master Agreement and Buyer shall therefore be the 'Defaulting Party' with regard to such event.

Buyer shall provide settlement quality meter data, resource data and load data as reasonably requested by Seller necessary for the preparation of the forecasts. In the event a Governmental Authority requests clarification of forecasts provided by Seller hereunder or otherwise requires Buyer to substantiate such forecasts, Seller shall in good faith assist Buyer in responding to such request and assist Buyer in defending the reasonableness of such forecasts (such assistance shall exclude payment of any costs or expenses incurred by Buyer in responding to such inquiries).

Seller shall perform the scheduling and bidding services in accordance with the Tariff, protocols and business practices. Seller shall establish a separate 'Scheduling Coordinator' identification to isolate CAISO charges related to providing energy supply services to Buyer, and Seller shall be responsible for any collateral postings required by the CAISO in conjunction with scheduling the Peninsula Clean Energy Customer Load.
 - (a) **Day-Ahead Forecasting.** Seller shall submit day-ahead forecasts of Peninsula Clean Energy Customer Load on a daily basis ("Day-Ahead Forecasts"), based on a methodology to be agreed upon between Buyer and Seller. Day-Ahead Forecasts shall be based upon Customer information provided to Seller, historical load patterns, and Seller weather forecasts. Seller shall provide Buyer with daily Day-Ahead Forecasts upon the prior written request of Buyer, and to implement reasonable modifications to daily forecasting methodology. Variances between Day-Ahead Forecast and the actual Peninsula Clean Energy Customer Load will be settled at CAISO real-time prices as reflected in the CAISO settlements statement.

through the benefits of such schedules to Buyer. Seller shall not be obligated to act as Scheduling Coordinator for generating facilities that are Buyer's Facilities except under a separate agreement, which shall be subject to agreement of the Parties. Unless the Parties agree otherwise, Buyer Facilities shall not displace energy related products or wholesale hedge positions entered into by Seller on behalf of Peninsula Clean Energy Customer Load requirements. Buyer shall comply with the CAISO's annual meter data quality audit. Seller will act as Scheduling Coordinator for Buyer's load and will be required to submit to CAISO an annual self-audit in accordance with the requirements of the CAISO tariff. Seller and Buyer agree that the annual self-audit will be conducted by an independent auditor not affiliated with either Seller or Buyer. To the extent Buyer retains a third party for the collection and submission to CAISO of Settlement Quality Meter Data or the performance of other functions within the scope of the annual self-audit, Buyer agrees that it will:
 - (i) cooperate with such independent auditor and/or third parties, as applicable, (ii)

Upon reasonable advance notice, Buyer may request a review of the relevant records of Seller to confirm the accuracy of any costs or credits passed-through to Buyer hereunder. Seller shall maintain at all times and use commercially reasonable efforts to provide such records for Buyer's review during normal business hours and copies of such records at Buyer's cost and subject to any applicable confidentiality restrictions.

13. **No Dedication of Facilities.** Neither the services performed by Seller under this Appendix I nor either Party's actions or inactions under this Appendix I shall constitute or be construed as a dedication of the systems or assets, or any portion thereof, of either Party to the public or to the other Party.
14. **Control.** Buyer agrees, upon request of Seller, to submit a letter of concurrence in support of any affirmative statement by Seller that this contractual arrangement does not transfer "ownership or control of generation capacity" from Buyer to Seller, as the term "ownership or control of generation capacity" is used in 18 CFR Section 35.42.
15. **Terminating Seller's Designation as Scheduling Coordinator.** Seller's obligation to perform SC Services under this Appendix I shall terminate at the end of the Delivery Period unless the Parties have mutually agreed, in a signed writing, to extend the term of such services. In the event it were to be determined that applicable law precludes the Parties from waiving their rights to seek

changes from FERC to their market-based power sales contracts (including entering into covenants not to do so) then this subsection (b) shall not apply, provided that, consistent with the foregoing subsection (a), neither Party shall seek any such changes except solely under the "public interest" application of the "just and reasonable" standard of review and otherwise as set forth in the foregoing section (a).

39) The following new Section shall be added as Section 10.16:

"Imaged Agreement. Any original executed Agreement, Confirmation or other related document may be photocopied and stored on computer tapes and disks (the "Imaged Agreement"). The Imaged Agreement, if introduced as evidenced on paper, the Confirmation, if introduced as evidence in automated facsimile form, the Recording, if introduced as evidence in its original form and as transcribed onto paper, and all computer records of the foregoing, if introduced as evidence in printed format, in any judicial, arbitration,

mediation or administrative proceedings, will be admissible as between the Parties to the same extent and under the same conditions as other business records originated and maintained in documentary form. Neither Party shall object to the admissibility of the Recording, the Confirmation or the Imaged Agreement (or photocopies of the transcription of the Recording, the Confirmation or the Imaged Agreement) on the basis that such were not originated or maintained in documentary form under the hearsay rule, the best evidence rule or other rule of evidence.”

40) The following new Section shall be added as Section 10.17:

“Index Transactions. If the Contract Price for a Transaction is determined by reference to a third-party information source, then the following provisions shall be applicable to such Transaction:

(i) Market Disruption. If a Market Disruption Event occurs during a Determination Period, the Floating Price for the affected Trading Day(s) shall be determined by reference to the Floating Price specified in the Transaction for the first Trading Day thereafter on which no Market Disruption Event exists; provided, however, if the Floating Price is not so determined within three (3) Business Days after the first Trading Day on which the Market Disruption Event occurred or existed, then the Parties shall negotiate in good faith to agree on a Floating Price (or a method for determining a Floating Price), and if the Parties have not so agreed on or before the twelfth Business Day following the first Trading Day on which the Market Disruption Event occurred or existed, then the Floating Price shall be determined in good faith by taking the average of two dealer quotes obtained from dealers of the highest credit standing which satisfy all the criteria that the Seller applies generally at the time in deciding to offer or to make an extension of credit. Notwithstanding the foregoing and subject to time limitations set forth in Sub-Section (ii) below, if the Parties have determined a Floating Price pursuant to this Sub-Section (i) and at a later date the responsible Price Source announces or publishes the relevant Floating Price, then such Floating Price shall be treated as a corrected price pursuant to Sub-Section (ii) below.”

“Determination Period” means each calendar month, a part or all of which, is within the Delivery Period of a Transaction.

“Exchange” means, in respect of a Transaction, the exchange or principal trading market specified in the relevant Transaction.

specified for determining a Floating Price; or (e) a material change in the formula for or the method of determining the Floating Price.

“Price Source” means, in respect of a Transaction, the publication (or such other origin of reference, including an Exchange) containing (or reporting) the specified price (or prices from which the specified price is calculated) specified in the relevant Transaction.

“Trading Day” means a day in respect of which the relevant Price Source published the Floating Price.

(ii) Corrections to Published Prices. For purposes of determining a Floating Price for any day, if the price published or announced on a given day and used or to be used to determine a relevant price is subsequently corrected and the correction is published or announced by the person responsible for that publication or announcement within three (3) years of the original publication or announcement, either Party may notify the other Party of (i) that correction and (ii) the amount (if any) that is payable as a result of that correction. If, not later than thirty (30) days after publication or announcement of that correction, a Party gives notice that an amount is so payable, the Party that originally either received or retained such amount will, not later than three (3) Business Days after the effectiveness of that notice, pay, subject to any applicable conditions precedent, to the other Party that amount, together with interest at the Interest Rate for the period from and including the day on which payment originally was (or was not) made to but excluding the day of payment of the refund or payment resulting from that correction.

(iii) Calculation of Floating Price. For purposes of calculating a Floating Price, all numbers shall be rounded to four (4) decimal places. If the fifth (5th) decimal number is five (5) or greater, then the fourth (4th) decimal number shall be increased by one (1), and if the fifth (5th) decimal number is less than five (5), then the fourth (4th) decimal number shall remain unchanged.”

Generally Accepted Accounting Principles. Any reference to “generally accepted accounting principles” shall mean, with respect to an entity and its financial statements, generally accepted accounting principles, consistently applied, adopted or used in the jurisdiction of the entity whose financial statements are being considered for the purposes of this Agreement.”

No Recourse Against Constituent Members of Party B. Party B is organized as a Joint Powers Authority in accordance with the Joint Exercise of Powers Act of the State of California (Government Code Section 6500, et seq.) and is a public entity separate from its constituent members. Party B will solely be responsible for all debts, obligations and liabilities accruing and arising out of this Agreement in accordance with the Security Agreements. Party A will have no rights and will not make any claims, take any actions or assert any remedies against any of Party B’s constituent members, or the

officers, directors, advisors, contractors, consultants or employees of Party B or Party B's constituent members, in connection with this Agreement.

IN WITNESS WHEREOF, the Parties have caused this Master Agreement to be duly executed as of the Effective Date.

A Transaction shall be entered into upon agreement of the Parties orally or, if expressly required by either Party with respect to a particular Transaction, in writing, including an electronic means of communication. Each Party agrees not to contest, or assert any defense to, the validity or enforceability of the Transaction entered into in accordance with this Master Agreement (i) based on any law requiring agreements to be in writing or to be signed by the parties, or (ii) based on any lack of authority of the Party or any lack of authority of any employee of the Party to enter into a Transaction.

2.2 Governing Terms. Unless otherwise specifically agreed, each Transaction between the Parties shall be governed by this Master Agreement. This Master Agreement (including all exhibits, schedules and any written supplements hereto), , the Party A Tariff, if any, and the Party B Tariff, if any, any designated collateral, credit support or margin agreement or similar arrangement between the Parties and all Transactions (including any Confirmations accepted in accordance with Section 2.3) shall form a single integrated agreement between the Parties. Any inconsistency between any terms of this Master Agreement and any terms of the Transaction shall be resolved in favor of the terms of such Transaction.

2.3 Confirmation. Seller may confirm a Transaction by forwarding to Buyer by facsimile within three (3) Business Days after the Transaction is entered into a confirmation (“Confirmation”) substantially in the form of Exhibit A. If Buyer objects to any term(s) of such Confirmation, Buyer shall notify Seller in writing of such objections within two (2) Business Days of Buyer’s receipt thereof, failing which Buyer shall be deemed to have accepted the terms as sent. If Seller fails to send a Confirmation within three (3) Business Days after the Transaction is entered into, a Confirmation substantially in the form of Exhibit A, may be forwarded by Buyer to Seller. If Seller objects to any term(s) of such Confirmation, Seller shall

notify Buyer of such objections within two (2) Business Days of Seller's receipt thereof, failing which Seller shall be deemed to have accepted the terms as sent. If Seller and Buyer each send a Confirmation and neither Party objects to the other Party's Confirmation within two (2) Business Days of receipt, Seller's Confirmation shall be deemed to be accepted and shall be the controlling Confirmation, unless (i) Seller's Confirmation was sent more than three (3) Business Days after the Transaction was entered into and (ii) Buyer's Confirmation was sent prior to Seller's Confirmation, in which case Buyer's Confirmation shall be deemed to be accepted and shall be the controlling Confirmation. Failure by either Party to send or either Party to return an executed Confirmation or any objection by either Party shall not invalidate the Transaction agreed to by the Parties.

2.4 Additional Confirmation Terms. If the Parties have elected on the Cover Sheet to make this Section 2.4 applicable to this Master Agreement, when a Confirmation contains provisions, other than those provisions relating to the commercial terms of the Transaction (e.g., price or special transmission conditions), which modify or supplement the general terms and conditions of this Master Agreement (e.g., arbitration provisions or additional representations and warranties), such provisions shall not be deemed to be accepted pursuant to Section 2.3 unless agreed to either orally or in writing by the Parties; provided that the foregoing shall not invalidate any Transaction agreed to by the Parties.

2.5 Recording. Unless a Party expressly objects to a Recording (defined below) at the beginning of a telephone conversation, each Party consents to the creation of a tape or electronic recording ("Recording") of all telephone conversations between the Parties to this Master Agreement, and that any such Recordings will be retained in confidence, secured from improper access, and may be submitted in evidence in any proceeding or action relating to this Agreement. Each Party waives any further notice of such monitoring or recording, and agrees to notify its officers and employees of such monitoring or recording and to obtain any necessary consent of such officers and employees. The Recording, and the terms and conditions described therein, if admissible, shall be the controlling evidence for the Parties' agreement with respect to a particular Transaction in the event a Confirmation is not fully executed (or deemed accepted) by both Parties. Upon full execution (or deemed acceptance) of a Confirmation, such Confirmation shall control in the event of any conflict with the terms of a Recording, or in the event of any conflict with the terms of this Master Agreement.

ARTICLE THREE: OBLIGATIONS AND DELIVERIES

3.1 Seller's and Buyer's Obligations. With respect to each Transaction, Seller shall sell and deliver, or cause to be delivered, and Buyer shall purchase and receive, or cause to be received, the Quantity of the Product at the Delivery Point, and Buyer shall pay Seller the Contract Price; provided, however, with respect to Options, the obligations set forth in the preceding sentence shall only arise if the Option Buyer exercises its Option in accordance with its terms. Seller shall be responsible for any costs or charges imposed on or associated with the Product or its delivery of the Product up to the Delivery Point. Buyer shall be responsible for any costs or charges imposed on or associated with the Product or its receipt at and from the Delivery Point.

Buyer shall arrange and be responsible for transmission service at and from the Delivery Point and shall Schedule or arrange for Scheduling services with its Transmission Providers to receive the Product at the Delivery Point.

3.3 Force Majeure. To the extent either Party is prevented by Force Majeure from carrying out, in whole or part, its obligations under the Transaction and such Party (the "Claiming Party") gives notice and details of the Force Majeure to the other Party as soon as practicable, then, unless the terms of the Product specify otherwise, the Claiming Party shall be excused from the performance of its obligations with respect to such Transaction (other than the obligation to make payments then due or becoming due with respect to performance prior to the Force Majeure). The Claiming Party shall remedy the Force Majeure with all reasonable dispatch. The non-Claiming Party shall not be required to perform or resume performance of its obligations to the Claiming Party corresponding to the obligations of the Claiming Party excused by Force Majeure.

ARTICLE FOUR: REMEDIES FOR FAILURE TO DELIVER/RECEIVE

4.1 Seller Failure. If Seller fails to schedule and/or deliver all or part of the Product pursuant to a Transaction, and such failure is not excused under the terms of the Product or by Buyer's failure to perform, then Seller shall pay Buyer, on the date payment would otherwise be due in respect of the month in which the failure occurred or, if "Accelerated Payment of Damages" is specified on the Cover Sheet, within five (5) Business Days of invoice receipt, an amount for such deficiency equal to the positive difference, if any, obtained by subtracting the Contract Price from the Replacement Price. The invoice for such amount shall include a written statement explaining in reasonable detail the calculation of such amount.

4.2 Buyer Failure. If Buyer fails to schedule and/or receive all or part of the Product pursuant to a Transaction and such failure is not excused under the terms of the Product or by Seller's failure to perform, then Buyer shall pay Seller, on the date payment would otherwise be due in respect of the month in which the failure occurred or, if "Accelerated Payment of Damages" is specified on the Cover Sheet, within five (5) Business Days of invoice receipt, an amount for such deficiency equal to the positive difference, if any, obtained by subtracting the Sales Price from the Contract Price. The invoice for such amount shall include a written statement explaining in reasonable detail the calculation of such amount.

ARTICLE FIVE: EVENTS OF DEFAULT; REMEDIES

5.1 Events of Default. An "Event of Default" shall mean, with respect to a Party (a "Defaulting Party"), the occurrence of any of the following:

- (a) the failure to make, when due, any payment required pursuant to this Agreement if such failure is not remedied within three (3) Business Days after written notice;

- (b) any representation or warranty made by such Party herein is false or misleading in any material respect when made or when deemed made or repeated;
- (c) the failure to perform any material covenant or obligation set forth in this Agreement (except to the extent constituting a separate Event of Default, and except for such Party's obligations to deliver or receive the Product, the exclusive remedy for which is provided in Article Four) if such failure is not remedied within three (3) Business Days after written notice;
- (d) such Party becomes Bankrupt;
- (e) the failure of such Party to satisfy the creditworthiness/collateral requirements agreed to pursuant to Article Eight hereof;
- (f) such Party consolidates or amalgamates with, or merges with or into, or transfers all or substantially all of its assets to, another entity and, at the time of such consolidation, amalgamation, merger or transfer, the resulting, surviving or transferee entity fails to assume all the obligations of such Party under this Agreement to which it or its predecessor was a party by operation of law or pursuant to an agreement reasonably satisfactory to the other Party;
- (g) if the applicable cross default section in the Cover Sheet is indicated for such Party, the occurrence and continuation of (i) a default, event of default or other similar condition or event in respect of such Party or any other party specified in the Cover Sheet for such Party under one or more agreements or instruments, individually or collectively, relating to indebtedness for borrowed money in an aggregate amount of not less than the applicable Cross Default Amount (as specified in the Cover Sheet), which results in such indebtedness becoming, or becoming capable at such time of being declared, immediately due and payable or (ii) a default by such Party or any other party specified in the Cover Sheet for such Party in making on the due date therefor one or more payments, individually or collectively, in an aggregate amount of not less than the applicable Cross Default Amount (as specified in the Cover Sheet);
- (h) with respect to such Party's Guarantor, if any:
 - (i) if any representation or warranty made by a Guarantor in connection with this Agreement is false or misleading in any material respect when made or when deemed made or repeated;
 - (ii) the failure of a Guarantor to make any payment required or to perform any other material covenant or obligation in any guaranty made in connection with this Agreement and such failure shall not be remedied within three (3) Business Days after written notice;

- (iii) a Guarantor becomes Bankrupt;
- (iv) the failure of a Guarantor's guaranty to be in full force and effect for purposes of this Agreement (other than in accordance with its terms) prior to the satisfaction of all obligations of such Party under each Transaction to which such guaranty shall relate without the written consent of the other Party; or
- (v) a Guarantor shall repudiate, disaffirm, disclaim, or reject, in whole or in part, or challenge the validity of any guaranty.

5.2 Declaration of an Early Termination Date and Calculation of Settlement Amounts. If an Event of Default with respect to a Defaulting Party shall have occurred and be continuing, the other Party (the "Non-Defaulting Party") shall have the right (i) to designate a day, no earlier than the day such notice is effective and no later than 20 days after such notice is effective, as an early termination date ("Early Termination Date") to accelerate all amounts owing between the Parties and to liquidate and terminate all, but not less than all, Transactions (each referred to as a "Terminated Transaction") between the Parties, (ii) withhold any payments due to the Defaulting Party under this Agreement and (iii) suspend performance. The Non-Defaulting Party shall calculate, in a commercially reasonable manner, a Settlement Amount for each such Terminated Transaction as of the Early Termination Date (or, to the extent that in the reasonable opinion of the Non-Defaulting Party certain of such Terminated Transactions are commercially impracticable to liquidate and terminate or may not be liquidated and terminated under applicable law on the Early Termination Date, as soon thereafter as is reasonably practicable).

5.3 Net Out of Settlement Amounts. The Non-Defaulting Party shall aggregate all Settlement Amounts into a single amount by: netting out (a) all Settlement Amounts that are due to the Defaulting Party, plus, at the option of the Non-Defaulting Party, any cash or other form of security then available to the Non-Defaulting Party pursuant to Article Eight, plus any or all other amounts due to the Defaulting Party under this Agreement against (b) all Settlement Amounts that are due to the Non-Defaulting Party, plus any or all other amounts due to the Non-Defaulting Party under this Agreement, so that all such amounts shall be netted out to a single liquidated amount (the "Termination Payment") payable by one Party to the other. The Termination Payment shall be due to or due from the Non-Defaulting Party as appropriate.

5.4 Notice of Payment of Termination Payment. As soon as practicable after a liquidation, notice shall be given by the Non-Defaulting Party to the Defaulting Party of the amount of the Termination Payment and whether the Termination Payment is due to or due from the Non-Defaulting Party. The notice shall include a written statement explaining in reasonable detail the calculation of such amount. The Termination Payment shall be made by the Party that owes it within two (2) Business Days after such notice is effective.

5.5 Disputes With Respect to Termination Payment. If the Defaulting Party disputes the Non-Defaulting Party's calculation of the Termination Payment, in whole or in part, the Defaulting Party shall, within two (2) Business Days of receipt of Non-Defaulting Party's calculation of the Termination Payment, provide to the Non-Defaulting Party a detailed written explanation of the basis for such dispute; provided, however, that if the Termination Payment is

due from the Defaulting Party, the Defaulting Party shall first transfer Performance Assurance to the Non-Defaulting Party in an amount equal to the Termination Payment.

5.6 Closeout Setoffs.

Option A: After calculation of a Termination Payment in accordance with Section 5.3, if the Defaulting Party would be owed the Termination Payment, the Non-Defaulting Party shall be entitled, at its option and in its discretion, to (i) set off against such Termination Payment any amounts due and owing by the Defaulting Party to the Non-Defaulting Party under any other agreements, instruments or undertakings between the Defaulting Party and the Non-Defaulting Party and/or (ii) to the extent the Transactions are not yet liquidated in accordance with Section 5.2, withhold payment of the Termination Payment to the Defaulting Party. The remedy provided for in this Section shall be without prejudice and in addition to any right of setoff, combination of accounts, lien or other right to which any Party is at any time otherwise entitled (whether by operation of law, contract or otherwise).

Option B: After calculation of a Termination Payment in accordance with Section 5.3, if the Defaulting Party would be owed the Termination Payment, the Non-Defaulting Party shall be entitled, at its option and in its discretion, to (i) set off against such Termination Payment any amounts due and owing by the Defaulting Party or any of its Affiliates to the Non-Defaulting Party or any of its Affiliates under any other agreements, instruments or undertakings between the Defaulting Party or any of its Affiliates and the Non-Defaulting Party or any of its Affiliates and/or (ii) to the extent the Transactions are not yet liquidated in accordance with Section 5.2, withhold payment of the Termination Payment to the Defaulting Party. The remedy provided for in this Section shall be without prejudice and in addition to any right of setoff, combination of accounts, lien or other right to which any Party is at any time otherwise entitled (whether by operation of law, contract or otherwise).

Option C: Neither Option A nor B shall apply.

5.7 Suspension of Performance. Notwithstanding any other provision of this Master Agreement, if (a) an Event of Default or (b) a Potential Event of Default shall have occurred and be continuing, the Non-Defaulting Party, upon written notice to the Defaulting Party, shall have the right (i) to suspend performance under any or all Transactions; provided, however, in no event shall any such suspension continue for longer than ten (10) NERC Business Days with respect to any single Transaction unless an early Termination Date shall have been declared and notice thereof pursuant to Section 5.2 given, and (ii) to the extent an Event of Default shall have occurred and be continuing to exercise any remedy available at law or in equity.

ARTICLE SIX: PAYMENT AND NETTING

6.1 Billing Period. Unless otherwise specifically agreed upon by the Parties in a Transaction, the calendar month shall be the standard period for all payments under this Agreement (other than Termination Payments and, if "Accelerated Payment of Damages" is specified by the Parties in the Cover Sheet, payments pursuant to Section 4.1 or 4.2 and Option premium payments pursuant to Section 6.7). As soon as practicable after the end of each month,

each Party will render to the other Party an invoice for the payment obligations, if any, incurred hereunder during the preceding month.

6.2 Timeliness of Payment. Unless otherwise agreed by the Parties in a Transaction, all invoices under this Master Agreement shall be due and payable in accordance with each Party's invoice instructions on or before the later of the twentieth (20th) day of each month, or tenth (10th) day after receipt of the invoice or, if such day is not a Business Day, then on the next Business Day. Each Party will make payments by electronic funds transfer, or by other mutually agreeable method(s), to the account designated by the other Party. Any amounts not paid by the due date will be deemed delinquent and will accrue interest at the Interest Rate, such interest to be calculated from and including the due date to but excluding the date the delinquent amount is paid in full.

6.3 Disputes and Adjustments of Invoices. A Party may, in good faith, dispute the correctness of any invoice or any adjustment to an invoice, rendered under this Agreement or adjust any invoice for any arithmetic or computational error within twelve (12) months of the date the invoice, or adjustment to an invoice, was rendered. In the event an invoice or portion thereof, or any other claim or adjustment arising hereunder, is disputed, payment of the undisputed portion of the invoice shall be required to be made when due, with notice of the objection given to the other Party. Any invoice dispute or invoice adjustment shall be in writing and shall state the basis for the dispute or adjustment. Payment of the disputed amount shall not be required until the dispute is resolved. Upon resolution of the dispute, any required payment shall be made within two (2) Business Days of such resolution along with interest accrued at the Interest Rate from and including the due date to but excluding the date paid. Inadvertent overpayments shall be returned upon request or deducted by the Party receiving such overpayment from subsequent payments, with interest accrued at the Interest Rate from and including the date of such overpayment to but excluding the date repaid or deducted by the Party receiving such overpayment. Any dispute with respect to an invoice is waived unless the other Party is notified in accordance with this Section 6.3 within twelve (12) months after the invoice is rendered or any specific adjustment to the invoice is made. If an invoice is not rendered within twelve (12) months after the close of the month during which performance of a Transaction occurred, the right to payment for such performance is waived.

6.4 Netting of Payments. The Parties hereby agree that they shall discharge mutual debts and payment obligations due and owing to each other on the same date pursuant to all Transactions through netting, in which case all amounts owed by each Party to the other Party for the purchase and sale of Products during the monthly billing period under this Master Agreement, including any related damages calculated pursuant to Article Four (unless one of the Parties elects to accelerate payment of such amounts as permitted by Article Four), interest, and payments or credits, shall be netted so that only the excess amount remaining due shall be paid by the Party who owes it.

6.5 Payment Obligation Absent Netting. If no mutual debts or payment obligations exist and only one Party owes a debt or obligation to the other during the monthly billing period, including, but not limited to, any related damage amounts calculated pursuant to Article Four, interest, and payments or credits, that Party shall pay such sum in full when due.

6.6 Security. Unless the Party benefiting from Performance Assurance or a guaranty notifies the other Party in writing, and except in connection with a liquidation and termination in accordance with Article Five, all amounts netted pursuant to this Article Six shall not take into account or include any Performance Assurance or guaranty which may be in effect to secure a Party's performance under this Agreement.

6.7 Payment for Options. The premium amount for the purchase of an Option shall be paid within two (2) Business Days of receipt of an invoice from the Option Seller. Upon exercise of an Option, payment for the Product underlying such Option shall be due in accordance with Section 6.1.

6.8 Transaction Netting. If the Parties enter into one or more Transactions, which in conjunction with one or more other outstanding Transactions, constitute Offsetting Transactions, then all such Offsetting Transactions may by agreement of the Parties, be netted into a single Transaction under which:

- (a) the Party obligated to deliver the greater amount of Energy will deliver the difference between the total amount it is obligated to deliver and the total amount to be delivered to it under the Offsetting Transactions, and
- (b) the Party owing the greater aggregate payment will pay the net difference owed between the Parties.

Each single Transaction resulting under this Section shall be deemed part of the single, indivisible contractual arrangement between the parties, and once such resulting Transaction occurs, outstanding obligations under the Offsetting Transactions which are satisfied by such offset shall terminate.

ARTICLE SEVEN: LIMITATIONS

7.1 Limitation of Remedies, Liability and Damages. EXCEPT AS SET FORTH HEREIN, THERE IS NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, AND ANY AND ALL IMPLIED WARRANTIES ARE DISCLAIMED. THE PARTIES CONFIRM THAT THE EXPRESS REMEDIES AND MEASURES OF DAMAGES PROVIDED IN THIS AGREEMENT SATISFY THE ESSENTIAL PURPOSES HEREOF. FOR BREACH OF ANY PROVISION FOR WHICH AN EXPRESS REMEDY OR MEASURE OF DAMAGES IS PROVIDED, SUCH EXPRESS REMEDY OR MEASURE OF DAMAGES SHALL BE THE SOLE AND EXCLUSIVE REMEDY, THE OBLIGOR'S LIABILITY SHALL BE LIMITED AS SET FORTH IN SUCH PROVISION AND ALL OTHER REMEDIES OR DAMAGES AT LAW OR IN EQUITY ARE WAIVED. IF NO REMEDY OR MEASURE OF DAMAGES IS EXPRESSLY PROVIDED HEREIN OR IN A TRANSACTION, THE OBLIGOR'S LIABILITY SHALL BE LIMITED TO DIRECT ACTUAL DAMAGES ONLY, SUCH DIRECT ACTUAL DAMAGES SHALL BE THE SOLE AND EXCLUSIVE REMEDY AND ALL OTHER REMEDIES OR DAMAGES AT LAW OR IN EQUITY ARE WAIVED. UNLESS EXPRESSLY HEREIN PROVIDED, NEITHER PARTY SHALL BE LIABLE FOR CONSEQUENTIAL, INCIDENTAL, PUNITIVE, EXEMPLARY OR INDIRECT DAMAGES, LOST PROFITS OR

OTHER BUSINESS INTERRUPTION DAMAGES, BY STATUTE, IN TORT OR CONTRACT, UNDER ANY INDEMNITY PROVISION OR OTHERWISE. IT IS THE INTENT OF THE PARTIES THAT THE LIMITATIONS HEREIN IMPOSED ON REMEDIES AND THE MEASURE OF DAMAGES BE WITHOUT REGARD TO THE CAUSE OR CAUSES RELATED THERETO, INCLUDING THE NEGLIGENCE OF ANY PARTY, WHETHER SUCH NEGLIGENCE BE SOLE, JOINT OR CONCURRENT, OR ACTIVE OR PASSIVE. TO THE EXTENT ANY DAMAGES REQUIRED TO BE PAID HEREUNDER ARE LIQUIDATED, THE PARTIES ACKNOWLEDGE THAT THE DAMAGES ARE DIFFICULT OR IMPOSSIBLE TO DETERMINE, OR OTHERWISE OBTAINING AN ADEQUATE REMEDY IS INCONVENIENT AND THE DAMAGES CALCULATED HEREUNDER CONSTITUTE A REASONABLE APPROXIMATION OF THE HARM OR LOSS.

ARTICLE EIGHT: CREDIT AND COLLATERAL REQUIREMENTS

8.1 Party A Credit Protection. The applicable credit and collateral requirements shall be as specified on the Cover Sheet. If no option in Section 8.1(a) is specified on the Cover Sheet, Section 8.1(a) Option C shall apply exclusively. If none of Sections 8.1(b), 8.1(c) or 8.1(d) are specified on the Cover Sheet, Section 8.1(b) shall apply exclusively.

(a) Financial Information. Option A: If requested by Party A, Party B shall deliver (i) within 120 days following the end of each fiscal year, a copy of Party B's annual report containing audited consolidated financial statements for such fiscal year and (ii) within 60 days after the end of each of its first three fiscal quarters of each fiscal year, a copy of Party B's quarterly report containing unaudited consolidated financial statements for such fiscal quarter. In all cases the statements shall be for the most recent accounting period and prepared in accordance with generally accepted accounting principles; provided, however, that should any such statements not be available on a timely basis due to a delay in preparation or certification, such delay shall not be an Event of Default so long as Party B diligently pursues the preparation, certification and delivery of the statements.

Option B: If requested by Party A, Party B shall deliver (i) within 120 days following the end of each fiscal year, a copy of the annual report containing audited consolidated financial statements for such fiscal year for the party(s) specified on the Cover Sheet and (ii) within 60 days after the end of each of its first three fiscal quarters of each fiscal year, a copy of quarterly report containing unaudited consolidated financial statements for such fiscal quarter for the party(s) specified on the Cover Sheet. In all cases the statements shall be for the most recent accounting period and shall be prepared in accordance with generally accepted accounting principles; provided, however, that should any such statements not be available on a timely basis due to a delay in preparation or certification, such delay shall not be an Event of Default so long as the relevant entity diligently pursues the preparation, certification and delivery of the statements.

Option C: Party A may request from Party B the information specified in the Cover Sheet.

(b) Credit Assurances. If Party A has reasonable grounds to believe that Party B's creditworthiness or performance under this Agreement has become unsatisfactory, Party A will provide Party B with written notice requesting Performance Assurance in an amount determined by Party A in a commercially reasonable manner. Upon receipt of such notice Party B shall have three (3) Business Days to remedy the situation by providing such Performance Assurance to Party A. In the event that Party B fails to provide such Performance Assurance, or a guaranty or other credit assurance acceptable to Party A within three (3) Business Days of receipt of notice, then an Event of Default under Article Five will be deemed to have occurred and Party A will be entitled to the remedies set forth in Article Five of this Master Agreement.

(c) Collateral Threshold. If at any time and from time to time during the term of this Agreement (and notwithstanding whether an Event of Default has occurred), the Termination Payment that would be owed to Party A plus Party B's Independent Amount, if any, exceeds the Party B Collateral Threshold, then Party A, on any Business Day, may request that Party B provide Performance Assurance in an amount equal to the amount by which the Termination Payment plus Party B's Independent Amount, if any, exceeds the Party B Collateral Threshold (rounding upwards for any fractional amount to the next Party B Rounding Amount) ("Party B Performance Assurance"), less any Party B Performance Assurance already posted with Party A. Such Party B Performance Assurance shall be delivered to Party A within three (3) Business Days of the date of such request. On any Business Day (but no more frequently than weekly with respect to Letters of Credit and daily with respect to cash), Party B, at its sole cost, may request that such Party B Performance Assurance be reduced correspondingly to the amount of such excess Termination Payment plus Party B's Independent Amount, if any, (rounding upwards for any fractional amount to the next Party B Rounding Amount). In the event that Party B fails to provide Party B Performance Assurance pursuant to the terms of this Article Eight within three (3) Business Days, then an Event of Default under Article Five shall be deemed to have occurred and Party A will be entitled to the remedies set forth in Article Five of this Master Agreement.

For purposes of this Section 8.1(c), the calculation of the Termination Payment shall be calculated pursuant to Section 5.3 by Party A as if all outstanding Transactions had been liquidated, and in addition thereto, shall include all amounts owed but not yet paid by Party B to Party A, whether or not such amounts are due, for performance already provided pursuant to any and all Transactions.

(d) Downgrade Event. If at any time there shall occur a Downgrade Event in respect of Party B, then Party A may require Party B to provide Performance Assurance in an amount determined by Party A in a commercially reasonable manner. In the event Party B shall fail to provide such Performance Assurance or a guaranty or other credit assurance acceptable to Party A within three (3) Business Days of receipt of notice, then an Event of Default shall be deemed to have occurred and Party A will be entitled to the remedies set forth in Article Five of this Master Agreement.

(e) If specified on the Cover Sheet, Party B shall deliver to Party A, prior to or concurrently with the execution and delivery of this Master Agreement a guarantee in an

amount not less than the Guarantee Amount specified on the Cover Sheet and in a form reasonably acceptable to Party A.

8.2 Party B Credit Protection. The applicable credit and collateral requirements shall be as specified on the Cover Sheet. If no option in Section 8.2(a) is specified on the Cover Sheet, Section 8.2(a) Option C shall apply exclusively. If none of Sections 8.2(b), 8.2(c) or 8.2(d) are specified on the Cover Sheet, Section 8.2(b) shall apply exclusively.

(a) **Financial Information.** Option A: If requested by Party B, Party A shall deliver (i) within 120 days following the end of each fiscal year, a copy of Party A's annual report containing audited consolidated financial statements for such fiscal year and (ii) within 60 days after the end of each of its first three fiscal quarters of each fiscal year, a copy of such Party's quarterly report containing unaudited consolidated financial statements for such fiscal quarter. In all cases the statements shall be for the most recent accounting period and prepared in accordance with generally accepted accounting principles; provided, however, that should any such statements not be available on a timely basis due to a delay in preparation or certification, such delay shall not be an Event of Default so long as such Party diligently pursues the preparation, certification and delivery of the statements.

Option B: If requested by Party B, Party A shall deliver (i) within 120 days following the end of each fiscal year, a copy of the annual report containing audited consolidated financial statements for such fiscal year for the party(s) specified on the Cover Sheet and (ii) within 60 days after the end of each of its first three fiscal quarters of each fiscal year, a copy of quarterly report containing unaudited consolidated financial statements for such fiscal quarter for the party(s) specified on the Cover Sheet. In all cases the statements shall be for the most recent accounting period and shall be prepared in accordance with generally accepted accounting principles; provided, however, that should any such statements not be available on a timely basis due to a delay in preparation or certification, such delay shall not be an Event of Default so long as the relevant entity diligently pursues the preparation, certification and delivery of the statements.

Option C: Party B may request from Party A the information specified in the Cover Sheet.

(b) **Credit Assurances.** If Party B has reasonable grounds to believe that Party A's creditworthiness or performance under this Agreement has become unsatisfactory, Party B will provide Party A with written notice requesting Performance Assurance in an amount determined by Party B in a commercially reasonable manner. Upon receipt of such notice Party A shall have three (3) Business Days to remedy the situation by providing such Performance Assurance to Party B. In the event that Party A fails to provide such Performance Assurance, or a guaranty or other credit assurance acceptable to Party B within three (3) Business Days of receipt of notice, then an Event of Default under Article Five will be deemed to have occurred and Party B will be entitled to the remedies set forth in Article Five of this Master Agreement.

(c) **Collateral Threshold.** If at any time and from time to time during the term of this Agreement (and notwithstanding whether an Event of Default has occurred), the Termination Payment that would be owed to Party B plus Party A's Independent Amount, if any,

exceeds the Party A Collateral Threshold, then Party B, on any Business Day, may request that Party A provide Performance Assurance in an amount equal to the amount by which the Termination Payment plus Party A's Independent Amount, if any, exceeds the Party A Collateral Threshold (rounding upwards for any fractional amount to the next Party A Rounding Amount) ("Party A Performance Assurance"), less any Party A Performance Assurance already posted with Party B. Such Party A Performance Assurance shall be delivered to Party B within three (3) Business Days of the date of such request. On any Business Day (but no more frequently than weekly with respect to Letters of Credit and daily with respect to cash), Party A, at its sole cost, may request that such Party A Performance Assurance be reduced correspondingly to the amount of such excess Termination Payment plus Party A's Independent Amount, if any, (rounding upwards for any fractional amount to the next Party A Rounding Amount). In the event that Party A fails to provide Party A Performance Assurance pursuant to the terms of this Article Eight within three (3) Business Days, then an Event of Default under Article Five shall be deemed to have occurred and Party B will be entitled to the remedies set forth in Article Five of this Master Agreement.

For purposes of this Section 8.2(c), the calculation of the Termination Payment shall be calculated pursuant to Section 5.3 by Party B as if all outstanding Transactions had been liquidated, and in addition thereto, shall include all amounts owed but not yet paid by Party A to Party B, whether or not such amounts are due, for performance already provided pursuant to any and all Transactions.

(d) Downgrade Event. If at any time there shall occur a Downgrade Event in respect of Party A, then Party B may require Party A to provide Performance Assurance in an amount determined by Party B in a commercially reasonable manner. In the event Party A shall fail to provide such Performance Assurance or a guaranty or other credit assurance acceptable to Party B within three (3) Business Days of receipt of notice, then an Event of Default shall be deemed to have occurred and Party B will be entitled to the remedies set forth in Article Five of this Master Agreement.

(e) If specified on the Cover Sheet, Party A shall deliver to Party B, prior to or concurrently with the execution and delivery of this Master Agreement a guarantee in an amount not less than the Guarantee Amount specified on the Cover Sheet and in a form reasonably acceptable to Party B.

8.3 Grant of Security Interest/Remedies. To secure its obligations under this Agreement and to the extent either or both Parties deliver Performance Assurance hereunder, each Party (a "Pledgor") hereby grants to the other Party (the "Secured Party") a present and continuing security interest in, and lien on (and right of setoff against), and assignment of, all cash collateral and cash equivalent collateral and any and all proceeds resulting therefrom or the liquidation thereof, whether now or hereafter held by, on behalf of, or for the benefit of, such Secured Party, and each Party agrees to take such action as the other Party reasonably requires in order to perfect the Secured Party's first-priority security interest in, and lien on (and right of setoff against), such collateral and any and all proceeds resulting therefrom or from the liquidation thereof. Upon or any time after the occurrence or deemed occurrence and during the continuation of an Event of Default or an Early Termination Date, the Non-Defaulting Party may

do any one or more of the following: (i) exercise any of the rights and remedies of a Secured Party with respect to all Performance Assurance, including any such rights and remedies under law then in effect; (ii) exercise its rights of setoff against any and all property of the Defaulting Party in the possession of the Non-Defaulting Party or its agent; (iii) draw on any outstanding Letter of Credit issued for its benefit; and (iv) liquidate all Performance Assurance then held by or for the benefit of the Secured Party free from any claim or right of any nature whatsoever of the Defaulting Party, including any equity or right of purchase or redemption by the Defaulting Party. The Secured Party shall apply the proceeds of the collateral realized upon the exercise of any such rights or remedies to reduce the Pledgor's obligations under the Agreement (the Pledgor remaining liable for any amounts owing to the Secured Party after such application), subject to the Secured Party's obligation to return any surplus proceeds remaining after such obligations are satisfied in full.

ARTICLE NINE: GOVERNMENTAL CHARGES

9.1 Cooperation. Each Party shall use reasonable efforts to implement the provisions of and to administer this Master Agreement in accordance with the intent of the parties to minimize all taxes , so long as neither Party is materially adversely affected by such efforts.

9.2 Governmental Charges. Seller shall pay or cause to be paid all taxes imposed by any government authority("Governmental Charges") on or with respect to the Product or a Transaction arising prior to the Delivery Point. Buyer shall pay or cause to be paid all Governmental Charges on or with respect to the Product or a Transaction at and from the Delivery Point (other than ad valorem, franchise or income taxes which are related to the sale of the Product and are, therefore, the responsibility of the Seller). In the event Seller is required by law or regulation to remit or pay Governmental Charges which are Buyer's responsibility hereunder, Buyer shall promptly reimburse Seller for such Governmental Charges. If Buyer is required by law or regulation to remit or pay Governmental Charges which are Seller's responsibility hereunder, Buyer may deduct the amount of any such Governmental Charges from the sums due to Seller under Article 6 of this Agreement. Nothing shall obligate or cause a Party to pay or be liable to pay any Governmental Charges for which it is exempt under the law.

ARTICLE TEN: MISCELLANEOUS

SCHEDULE P: PRODUCTS AND RELATED DEFINITIONS

“Ancillary Services” means any of the services identified by a Transmission Provider in its transmission tariff as “ancillary services” including, but not limited to, regulation and frequency response, energy imbalance, operating reserve-spinning and operating reserve-supplemental, as may be specified in the Transaction.

“Capacity” has the meaning specified in the Transaction.

“Energy” means three-phase, 60-cycle alternating current electric energy, expressed in megawatt hours.

“Firm (LD)” means, with respect to a Transaction, that either Party shall be relieved of its obligations to sell and deliver or purchase and receive without liability only to the extent that, and for the period during which, such performance is prevented by Force Majeure. In the absence of Force Majeure, the Party to which performance is owed shall be entitled to receive from the Party which failed to deliver/receive an amount determined pursuant to Article Four.

“Firm Transmission Contingent - Contract Path” means, with respect to a Transaction, that the performance of either Seller or Buyer (as specified in the Transaction) shall be excused, and no damages shall be payable including any amounts determined pursuant to Article Four, if the transmission for such Transaction is interrupted or curtailed and (i) such Party has provided for firm transmission with the transmission provider(s) for the Product in the case of the Seller from the generation source to the Delivery Point or in the case of the Buyer from the Delivery Point to the ultimate sink, and (ii) such interruption or curtailment is due to “force majeure” or “uncontrollable force” or a similar term as defined under the applicable transmission provider’s tariff. This contingency shall excuse performance for the duration of the interruption or curtailment notwithstanding the provisions of the definition of “Force Majeure” in Section 1.23 to the contrary.

“Firm Transmission Contingent - Delivery Point” means, with respect to a Transaction, that the performance of either Seller or Buyer (as specified in the Transaction) shall be excused, and no damages shall be payable including any amounts determined pursuant to Article Four, if the transmission to the Delivery Point (in the case of Seller) or from the Delivery Point (in the case of Buyer) for such Transaction is interrupted or curtailed and (i) such Party has provided for firm transmission with the transmission provider(s) for the Product, in the case of the Seller, to be delivered to the Delivery Point or, in the case of Buyer, to be received at the Delivery Point and (ii) such interruption or curtailment is due to “force majeure” or “uncontrollable force” or a similar term as defined under the applicable transmission provider’s tariff. This transmission contingency excuses performance for the duration of the interruption or curtailment, notwithstanding the provisions of the definition of “Force Majeure” in Section 1.23 to the contrary. Interruptions or curtailments of transmission other than the transmission either immediately to or from the Delivery Point shall not excuse performance

“Firm (No Force Majeure)” means, with respect to a Transaction, that if either Party fails to perform its obligation to sell and deliver or purchase and receive the Product, the Party to which performance is owed shall be entitled to receive from the Party which failed to perform an

amount determined pursuant to Article Four. Force Majeure shall not excuse performance of a Firm (No Force Majeure) Transaction.

"Into _____ (the "Receiving Transmission Provider"), Seller's Daily Choice" means that, in accordance with the provisions set forth below, (1) the Product shall be scheduled and delivered to an interconnection or interface ("Interface") either (a) on the Receiving Transmission Provider's transmission system border or (b) within the control area of the Receiving Transmission Provider if the Product is from a source of generation in that control area, which Interface, in either case, the Receiving Transmission Provider identifies as available for delivery of the Product in or into its control area; and (2) Seller has the right on a daily prescheduled basis to designate the Interface where the Product shall be delivered. An "Into" Product shall be subject to the following provisions:

1. Prescheduling and Notification. Subject to the provisions of Section 6, not later than the prescheduling deadline of 11:00 a.m. CPT on the Business Day before the next delivery day or as otherwise agreed to by Buyer and Seller, Seller shall notify Buyer ("Seller's Notification") of Seller's immediate upstream counterparty and the Interface (the "Designated Interface") where Seller shall deliver the Product for the next delivery day, and Buyer shall notify Seller of Buyer's immediate downstream counterparty.

2. Availability of "Firm Transmission" to Buyer at Designated Interface; "Timely Request for Transmission," "ADI" and "Available Transmission." In determining availability to Buyer of next-day firm transmission ("Firm Transmission") from the Designated Interface, a "Timely Request for Transmission" shall mean a properly completed request for Firm Transmission made by Buyer in accordance with the controlling tariff procedures, which request shall be submitted to the Receiving Transmission Provider no later than 30 minutes after delivery of Seller's Notification, provided, however, if the Receiving Transmission Provider is not accepting requests for Firm Transmission at the time of Seller's Notification, then such request by Buyer shall be made within 30 minutes of the time when the Receiving Transmission Provider first opens thereafter for purposes of accepting requests for Firm Transmission.

Pursuant to the terms hereof, delivery of the Product may under certain circumstances be redesignated to occur at an Interface other than the Designated Interface (any such alternate designated interface, an "ADI") either (a) on the Receiving Transmission Provider's transmission system border or (b) within the control area of the Receiving Transmission Provider if the Product is from a source of generation in that control area, which ADI, in either case, the Receiving Transmission Provider identifies as available for delivery of the Product in or into its control area using either firm or non-firm transmission, as available on a day-ahead or hourly basis (individually or collectively referred to as "Available Transmission") within the Receiving Transmission Provider's transmission system.

3. Rights of Buyer and Seller Depending Upon Availability of/Timely Request for Firm Transmission.

A. Timely Request for Firm Transmission made by Buyer, Accepted by the Receiving Transmission Provider and Purchased by Buyer. If a Timely Request for Firm Transmission is made by Buyer and is accepted by the Receiving Transmission Provider

and Buyer purchases such Firm Transmission, then Seller shall deliver and Buyer shall receive the Product at the Designated Interface.

i. If the Firm Transmission purchased by Buyer within the Receiving Transmission Provider's transmission system from the Designated Interface ceases to be available to Buyer for any reason, or if Seller is unable to deliver the Product at the Designated Interface for any reason except Buyer's non-performance, then at Seller's choice from among the following, Seller shall: (a) to the extent Firm Transmission is available to Buyer from an ADI on a day-ahead basis, require Buyer to purchase such Firm Transmission from such ADI, and schedule and deliver the affected portion of the Product to such ADI on the basis of Buyer's purchase of Firm Transmission, or (b) require Buyer to purchase non-firm transmission, and schedule and deliver the affected portion of the Product on the basis of Buyer's purchase of non-firm transmission from the Designated Interface or an ADI designated by Seller, or (c) to the extent firm transmission is available on an hourly basis, require Buyer to purchase firm transmission, and schedule and deliver the affected portion of the Product on the basis of Buyer's purchase of such hourly firm transmission from the Designated Interface or an ADI designated by Seller.

ii. If the Available Transmission utilized by Buyer as required by Seller pursuant to Section 3A(i) ceases to be available to Buyer for any reason, then Seller shall again have those alternatives stated in Section 3A(i) in order to satisfy its obligations.

iii. Seller's obligation to schedule and deliver the Product at an ADI is subject to Buyer's obligation referenced in Section 4B to cooperate reasonably therewith. If Buyer and Seller cannot complete the scheduling and/or delivery at an ADI, then Buyer shall be deemed to have satisfied its receipt obligations to Seller and Seller shall be deemed to have failed its delivery obligations to Buyer, and Seller shall be liable to Buyer for amounts determined pursuant to Article Four.

iv. In each instance in which Buyer and Seller must make alternative scheduling arrangements for delivery at the Designated Interface or an ADI pursuant to Sections 3A(i) or (ii), and Firm Transmission had been purchased by both Seller and Buyer into and within the Receiving Transmission Provider's transmission system as to the scheduled delivery which could not be completed as a result of the interruption or curtailment of such Firm Transmission, Buyer and Seller shall bear their respective transmission expenses and/or associated congestion charges incurred in connection with efforts to complete delivery by such alternative scheduling and delivery arrangements. In any instance except as set forth in the immediately preceding sentence, Buyer and Seller must make alternative scheduling arrangements for delivery at the Designated Interface or an ADI under Sections 3A(i) or (ii), Seller shall be responsible for any additional

transmission purchases and/or associated congestion charges incurred by Buyer in connection with such alternative scheduling arrangements.

B. Timely Request for Firm Transmission Made by Buyer but Rejected by the Receiving Transmission Provider. If Buyer's Timely Request for Firm Transmission is rejected by the Receiving Transmission Provider because of unavailability of Firm Transmission from the Designated Interface, then Buyer shall notify Seller within 15 minutes after receipt of the Receiving Transmission Provider's notice of rejection ("Buyer's Rejection Notice"). If Buyer timely notifies Seller of such unavailability of Firm Transmission from the Designated Interface, then Seller shall be obligated either (1) to the extent Firm Transmission is available to Buyer from an ADI on a day-ahead basis, to require Buyer to purchase (at Buyer's own expense) such Firm Transmission from such ADI and schedule and deliver the Product to such ADI on the basis of Buyer's purchase of Firm Transmission, and thereafter the provisions in Section 3A shall apply, or (2) to require Buyer to purchase (at Buyer's own expense) non-firm transmission, and schedule and deliver the Product on the basis of Buyer's purchase of non-firm transmission from the Designated Interface or an ADI designated by the Seller, in which case Seller shall bear the risk of interruption or curtailment of the non-firm transmission; provided, however, that if the non-firm transmission is interrupted or curtailed or if Seller is unable to deliver the Product for any reason, Seller shall have the right to schedule and deliver the Product to another ADI in order to satisfy its delivery obligations, in which case Seller shall be responsible for any additional transmission purchases and/or associated congestion charges incurred by Buyer in connection with Seller's inability to deliver the Product as originally prescheduled. If Buyer fails to timely notify Seller of the unavailability of Firm Transmission, then Buyer shall bear the risk of interruption or curtailment of transmission from the Designated Interface, and the provisions of Section 3D shall apply.

C. Timely Request for Firm Transmission Made by Buyer, Accepted by the Receiving Transmission Provider and not Purchased by Buyer. If Buyer's Timely Request for Firm Transmission is accepted by the Receiving Transmission Provider but Buyer elects to purchase non-firm transmission rather than Firm Transmission to take delivery of the Product, then Buyer shall bear the risk of interruption or curtailment of transmission from the Designated Interface. In such circumstances, if Seller's delivery is interrupted as a result of transmission relied upon by Buyer from the Designated Interface, then Seller shall be deemed to have satisfied its delivery obligations to Buyer, Buyer shall be deemed to have failed to receive the Product and Buyer shall be liable to Seller for amounts determined pursuant to Article Four.

D. No Timely Request for Firm Transmission Made by Buyer, or Buyer Fails to Timely Send Buyer's Rejection Notice. If Buyer fails to make a Timely Request for Firm Transmission or Buyer fails to timely deliver Buyer's Rejection Notice, then Buyer shall bear the risk of interruption or curtailment of transmission from the Designated Interface. In such circumstances, if Seller's delivery is interrupted as a result of transmission relied upon by Buyer from the Designated Interface, then Seller shall be deemed to have satisfied its delivery obligations to Buyer, Buyer shall be deemed to have

failed to receive the Product and Buyer shall be liable to Seller for amounts determined pursuant to Article Four.

4. Transmission.

A. Seller's Responsibilities. Seller shall be responsible for transmission required to deliver the Product to the Designated Interface or ADI, as the case may be. It is expressly agreed that Seller is not required to utilize Firm Transmission for its delivery obligations hereunder, and Seller shall bear the risk of utilizing non-firm transmission. If Seller's scheduled delivery to Buyer is interrupted as a result of Buyer's attempted transmission of the Product beyond the Receiving Transmission Provider's system border, then Seller will be deemed to have satisfied its delivery obligations to Buyer, Buyer shall be deemed to have failed to receive the Product and Buyer shall be liable to Seller for damages pursuant to Article Four.

B. Buyer's Responsibilities. Buyer shall be responsible for transmission required to receive and transmit the Product at and from the Designated Interface or ADI, as the case may be, and except as specifically provided in Section 3A and 3B, shall be responsible for any costs associated with transmission therefrom. If Seller is attempting to complete the designation of an ADI as a result of Seller's rights and obligations hereunder, Buyer shall co-operate reasonably with Seller in order to effect such alternate designation.

5. Force Majeure. An "Into" Product shall be subject to the "Force Majeure" provisions in Section 1.23.

6. Multiple Parties in Delivery Chain Involving a Designated Interface. Seller and Buyer recognize that there may be multiple parties involved in the delivery and receipt of the Product at the Designated Interface or ADI to the extent that (1) Seller may be purchasing the Product from a succession of other sellers ("Other Sellers"), the first of which Other Sellers shall be causing the Product to be generated from a source ("Source Seller") and/or (2) Buyer may be selling the Product to a succession of other buyers ("Other Buyers"), the last of which Other Buyers shall be using the Product to serve its energy needs ("Sink Buyer"). Seller and Buyer further recognize that in certain Transactions neither Seller nor Buyer may originate the decision as to either (a) the original identification of the Designated Interface or ADI (which designation may be made by the Source Seller) or (b) the Timely Request for Firm Transmission or the purchase of other Available Transmission (which request may be made by the Sink Buyer). Accordingly, Seller and Buyer agree as follows:

A. If Seller is not the Source Seller, then Seller shall notify Buyer of the Designated Interface promptly after Seller is notified thereof by the Other Seller with whom Seller has a contractual relationship, but in no event may such designation of the Designated Interface be later than the prescheduling deadline pertaining to the Transaction between Buyer and Seller pursuant to Section 1.

B. If Buyer is not the Sink Buyer, then Buyer shall notify the Other Buyer with whom Buyer has a contractual relationship of the Designated Interface promptly

after Seller notifies Buyer thereof, with the intent being that the party bearing actual responsibility to secure transmission shall have up to 30 minutes after receipt of the Designated Interface to submit its Timely Request for Firm Transmission.

C. Seller and Buyer each agree that any other communications or actions required to be given or made in connection with this "Into Product" (including without limitation, information relating to an ADI) shall be made or taken promptly after receipt of the relevant information from the Other Sellers and Other Buyers, as the case may be.

D. Seller and Buyer each agree that in certain Transactions time is of the essence and it may be desirable to provide necessary information to Other Sellers and Other Buyers in order to complete the scheduling and delivery of the Product. Accordingly, Seller and Buyer agree that each has the right, but not the obligation, to provide information at its own risk to Other Sellers and Other Buyers, as the case may be, in order to effect the prescheduling, scheduling and delivery of the Product

"Native Load" means the demand imposed on an electric utility or an entity by the requirements of retail customers located within a franchised service territory that the electric utility or entity has statutory obligation to serve.

"Non-Firm" means, with respect to a Transaction, that delivery or receipt of the Product may be interrupted for any reason or for no reason, without liability on the part of either Party.

"System Firm" means that the Product will be supplied from the owned or controlled generation or pre-existing purchased power assets of the system specified in the Transaction (the "System") with non-firm transmission to and from the Delivery Point, unless a different Transmission Contingency is specified in a Transaction. Seller's failure to deliver shall be excused: (i) by an event or circumstance which prevents Seller from performing its obligations, which event or circumstance was not anticipated as of the date the Transaction was agreed to, which is not within the reasonable control of, or the result of the negligence of, the Seller; (ii) by Buyer's failure to perform; (iii) to the extent necessary to preserve the integrity of, or prevent or limit any instability on, the System; (iv) to the extent the System or the control area or reliability council within which the System operates declares an emergency condition, as determined in the system's, or the control area's, or reliability council's reasonable judgment; or (v) by the interruption or curtailment of transmission to the Delivery Point or by the occurrence of any Transmission Contingency specified in a Transaction as excusing Seller's performance. Buyer's failure to receive shall be excused (i) by Force Majeure; (ii) by Seller's failure to perform, or (iii) by the interruption or curtailment of transmission from the Delivery Point or by the occurrence of any Transmission Contingency specified in a Transaction as excusing Buyer's performance. In any of such events, neither party shall be liable to the other for any damages, including any amounts determined pursuant to Article Four.

"Transmission Contingent" means, with respect to a Transaction, that the performance of either Seller or Buyer (as specified in the Transaction) shall be excused, and no damages shall be payable including any amounts determined pursuant to Article Four, if the transmission for such Transaction is unavailable or interrupted or curtailed for any reason, at any time, anywhere from the Seller's proposed generating source to the Buyer's proposed ultimate sink, regardless of

whether transmission, if any, that such Party is attempting to secure and/or has purchased for the Product is firm or non-firm. If the transmission (whether firm or non-firm) that Seller or Buyer is attempting to secure is from source to sink is unavailable, this contingency excuses performance for the entire Transaction. If the transmission (whether firm or non-firm) that Seller or Buyer has secured from source to sink is interrupted or curtailed for any reason, this contingency excuses performance for the duration of the interruption or curtailment notwithstanding the provisions of the definition of "Force Majeure" in Article 1.23 to the contrary.

"Unit Firm" means, with respect to a Transaction, that the Product subject to the Transaction is intended to be supplied from a generation asset or assets specified in the Transaction. Seller's failure to deliver under a "Unit Firm" Transaction shall be excused: (i) if the specified generation asset(s) are unavailable as a result of a Forced Outage (as defined in the NERC Generating Unit Availability Data System (GADS) Forced Outage reporting guidelines) or (ii) by an event or circumstance that affects the specified generation asset(s) so as to prevent Seller from performing its obligations, which event or circumstance was not anticipated as of the date the Transaction was agreed to, and which is not within the reasonable control of, or the result of the negligence of, the Seller or (iii) by Buyer's failure to perform. In any of such events, Seller shall not be liable to Buyer for any damages, including any amounts determined pursuant to Article Four.

At all times, whether before, after or during the pendency of any Bankruptcy Proceeding and notwithstanding the priorities which would ordinarily result from the order of

granting of any Liens, the order of attachment or perfection thereof, or the order of filing or recording of any financing statements or other instrument, or the priorities that would otherwise apply under Applicable Law, Collateral Agent, for the benefit of the Secured Creditors, shall have a first priority lien in the Collateral to secure the Obligations. No Secured Creditor will acquire in its own name a Lien in the assets of PCEA to secure any Obligations arising under a Power Purchase Agreement other than Liens arising by operation of law such as setoff rights. Secured Creditors shall share in the Proceeds of the Collateral as provided for in Section 4.6.

Section 2.2. No Debt Subordination

Nothing in this Agreement shall be construed to be or operate as a subordination of any of the Obligations owed to a Secured Creditor in right of payment to the Obligations owed to any other Secured Creditor.

Section 2.3. Restrictions on Enforcement Action

So long as any Obligation is outstanding and the Security Agreement remains in effect, the provisions of this Agreement and the Security Agreement shall provide the exclusive method by which Collateral Agent or any Secured Creditor may exercise rights in or assert claims against the Collateral or PCEA pertaining to the Obligations. Notwithstanding the foregoing, nothing in this Agreement shall prohibit or otherwise restrict a Secured Party from exercising any right of termination, acceleration or similar right in accordance with its Power Purchase Agreement, or prohibit or otherwise restrict a Secured Party from exercising any set-off rights it may have with respect to the Obligations owing to it.

Section 2.6. Cooperation; Accountings

Each Secured Creditor will, upon the reasonable request of the Collateral Agent, from time to time execute and deliver or cause to be executed and delivered such further instruments, and do and cause to be done such further acts as may be reasonably necessary or proper to carry out more effectively the provisions of this Agreement. Each Secured Creditor hereby acknowledges that if any Secured Creditor (individually or through its own custodian) shall hold or control, at any time, any assets comprising Collateral, such possession or control is also held for the benefit of Collateral Agent for the benefit of the Secured Creditors. The foregoing sentence shall not be construed to impose any duty on a Secured Creditor (or any third party acting on its behalf) with respect to such Collateral if it is not perfected by possession or control.

Section 3.3. Delegation of Duties

Collateral Agent may exercise its powers and execute any of its duties under this Agreement by or through employees, agents, and attorneys-in-fact, and shall be entitled to take and to rely on advice of counsel concerning all matters pertaining to such powers and duties. Subject to Section 3.4, Collateral Agent shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact unless Collateral Agent acted in bad faith or gross negligence in the selection of such agents or attorneys-in-fact. Collateral Agent may utilize the services of such Persons as Collateral Agent in its reasonable discretion may determine, and shall be entitled to indemnity hereunder for all reasonable fees and expenses of such Persons.

Collateral Agent shall be fully justified in failing or refusing to take action not provided for under this Agreement unless it shall first be indemnified to its reasonable satisfaction by PCEA against any and all liability and expense which may be

incurred by it by reason of taking, continuing to take or refraining from taking any such action. Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement in accordance with the provisions of Section 4 hereof, and any action taken or failure to act pursuant thereto shall be binding upon all the Secured Creditors.

Section 3.6. Knowledge

Collateral Agent shall not be deemed to have knowledge or notice of any facts regarding the Collateral or the Obligations unless Collateral Agent has received written notice from the Secured Creditor or PCEA referring to this Agreement, describing such facts in reasonable detail.

Section 3.7. Non-Reliance on Collateral Agent and Secured Creditors

Each Secured Creditor expressly acknowledges that except as expressly set forth in this Agreement, neither Collateral Agent (as such or in its individual capacity) nor any of Collateral Agent's officers, directors, employees, agents, attorneys-in-fact, or Affiliates has made any representations or warranties to it and that no act by Collateral Agent hereinafter taken shall be deemed to constitute any representation or warranty by Collateral Agent (as such or in its individual capacity) to any Secured Creditor.

Section 3.8. Reporting

Collateral Agent will provide the Secured Creditors with a copy of the bank statement for the Lockbox Account no later than five (5) Business Days following receipt thereof by the Collateral Agent. Collateral Agent shall have no duty or responsibility to provide the Secured Creditors with, or otherwise monitor or review in any respect, any credit or other information concerning the business, operations, property, financial and other condition or creditworthiness of PCEA which may come into the possession of Collateral Agent or any of its officers, directors, employees, agents, attorneys-in-fact, or Affiliates. Collateral Agent shall provide to Secured Creditors copies of all notices received by it regarding the Collateral, the Security Agreement or this Agreement; provided that the failure to provide such copies shall not cause Collateral Agent (as such or in its individual capacity) to incur liability to any Person. Collateral Agent shall promptly (but in no event more than 3 Business Days) after Collateral Agent's receipt of a written request from a Secured Creditor provide a report to all Secured Creditors regarding the status of any matter relating to payments or distributions of Collateral received by Collateral Agent.

Section 3.9. Indemnification

PCEA shall indemnify Collateral Agent (as such and in its individual capacity) from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever which may at any time be imposed on, incurred by or asserted against Collateral Agent (as such or in its individual capacity) arising out of actions or omissions of Collateral Agent specifically required or permitted by this Agreement; provided that neither PCEA nor the Secured Creditors shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting solely from Collateral

Agent's fraud, willful misconduct, gross negligence or bad faith. The agreements in this Section 3.9 shall survive the repayment of the Obligations and the termination of this Agreement.

Section 3.10. Collateral Agent May Act in its Individual Capacity

Wilmington Trust, National Association, and its Affiliates may make loans to, accept deposits from and generally engage in any kind of business with PCEA and its Affiliates as though it was not Collateral Agent hereunder.

Section 3.11. Successor Collateral Agent

(a) Collateral Agent may resign at any time upon 60 days' prior written notice to the Secured Creditors and PCEA, or may be removed by the demand of the Required Secured Creditors for cause at any time if Collateral Agent has failed to take any action that Collateral Agent is required to take hereunder after request by a Secured Creditor, or Collateral Agent has taken any action hereunder that Collateral Agent is not authorized to take hereunder or that violates the terms hereof and, in either case, has not remedied such failure or violation with reasonable promptness after a written request for corrective action is delivered to Collateral Agent. After any resignation or removal hereunder of Collateral Agent, the provisions of this Section 3 shall continue to be binding upon and inure to its benefit as to any actions taken or omitted to be taken by it in its capacity as Collateral Agent hereunder while it was Collateral Agent under this Agreement.

(b) Upon receiving written notice of any such resignation or removal, a successor Collateral Agent shall be appointed by the Secured Creditors and, provided no Event of Default as to PCEA has occurred and is continuing, such successor Collateral Agent shall be acceptable to PCEA (such acceptance not to be unreasonably withheld or delayed). If a successor Collateral Agent shall not have been appointed pursuant to this Section 3.11(b) within 60 days after Collateral Agent's notice of resignation or upon removal of Collateral Agent, then any Secured Creditor or Collateral Agent (unless Collateral Agent is being removed) may petition a court of competent jurisdiction for the appointment of a successor Collateral Agent (it being expressly understood and agreed that any such petition by the Collateral Agent shall be at the expense of the Secured Creditors and PCEA, jointly and severally). The appointment of a successor Collateral Agent pursuant to this Section 3.11(b) shall become effective upon the acceptance of the appointment as Collateral Agent hereunder by a successor Collateral Agent. Upon such effective appointment, the successor Collateral Agent shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Collateral Agent.

(c) The resignation or removal of a Collateral Agent shall take effect on the day specified in the notice described in Section 3.11(a), unless previously a successor Collateral Agent shall have been appointed and shall have accepted such appointment, in which event such resignation or removal shall take effect immediately upon the acceptance of such appointment by such successor Collateral Agent, and provided, further, that no resignation or removal shall be effective hereunder unless and until a successor Collateral Agent shall have been appointed and shall have accepted such appointment.

(d) Upon the effective appointment of and acceptance by a successor Collateral Agent, the successor Collateral Agent shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Collateral Agent and the predecessor Collateral Agent hereby appoints the successor Collateral Agent the attorney-in-fact of such predecessor Collateral Agent to accomplish the purposes hereof, which appointment is coupled with an interest. Such appointment and designation shall be full evidence of the right and authority to act as Collateral Agent hereunder and all power, trusts, duties, documents, rights and authority of the previous Collateral Agent shall rest in the successor, without any further deed or conveyance. The predecessor Collateral Agent shall, nevertheless, on the written request of the Secured Creditors or successor Collateral Agent, execute and deliver any other such instrument transferring to such successor Collateral Agent all the Collateral, properties, rights, power, trust, duties, authority and title of such predecessor. In connection with the resignation or removal of Collateral Agent, PCEA, to the extent requested by the Secured Creditors or Collateral Agent, shall procure and execute any and all documents, conveyances or instruments requested, including any documentation appropriate to reflect the transfer of the Lien or other rights granted herein to such successor Collateral Agent.

Section 4.4. Duty of Care

Collateral Agent shall have no duty or obligation as to the collection or protection of the Collateral or any income thereon, nor as to the preservation of rights against prior parties, nor as to the preservation of rights pertaining to the Collateral beyond the safe custody of any Collateral in Collateral Agent's actual possession. Without limiting the generality of the foregoing, Collateral Agent shall have no duty or obligation (a) other than to instruct PCEA as set forth in Section 4.05 of the Security Agreement, to see to any recording or filing of any financing statement evidencing a security interest in the Collateral, or to see to the maintenance of any such recording or filing, (b) to see to the payment or discharge of any tax, assessment or other governmental charge or any Lien or encumbrance of any kind owing with respect to, assessed or levied against any part of the Collateral, (c) to confirm or verify the contents of any reports or certificates delivered to Collateral Agent reasonably believed by it to be genuine and to have been signed or presented by the proper party or parties, or (d) to ascertain or inquire as to the performance of observance by any other Person of any representations, warranties or covenants. inaction to any Person. If the Collateral Agent shall not have received appropriate instruction from the Secured Creditors within ten (10) days of such notice (or within such shorter period of time as reasonably may be specified in such notice or may be necessary under the circumstances) it may, but shall be under no duty to, take or refrain from taking such action which is consistent, in its view, with this Agreement, the Security Agreement, and Control Agreement or other documents, and as it shall deem to be in the best interests of the Secured Creditors, and the Collateral Agent shall have no personal liability to any Person for any such action or inaction.

Collateral Agent shall make distributions from the Deposit Accounts only in accordance with Section 6 of this Agreement.

4.02 Further Assurances. Upon the request of Collateral Agent, PCEA shall promptly from time to time give, execute, deliver, file, record, authorize or obtain all such financing statements, continuation statements, notices, documents, agreements or other papers as may be necessary in the judgment of Collateral Agent to create, preserve, perfect, maintain the perfection of or validate the security interest granted pursuant hereto or to enable Collateral Agent to exercise and enforce its rights hereunder with respect to such security interest, and without limiting the foregoing, shall:

Without at least thirty (30) days' prior written notice to the Collateral Agent, PCEA shall not: (a) change its location (as defined in Article 9 of the UCC), (b) change its name from the name shown as its current legal name in Section 3 of this Agreement, or (c) agree to or authorize any modification of the terms of any item of the Collateral if the effect thereof would be to result in a loss of perfection of, or diminution of priority for, the security interests created hereunder in such item of Collateral, or the loss of control (within the meaning of Article 9 of the UCC) by Collateral Agent over such item of Collateral.

4.05 Perfection and Recordation. PCEA authorizes Collateral Agent to file Uniform Commercial Code financing statements describing the Collateral (provided that no such description shall be deemed to modify the description of Collateral set forth in Section 2). The Collateral Agent, in accordance with Section 4.02 hereof, hereby requests and instructs PCEA to prepare and file such Uniform Commercial Code financing and continuation statements describing the Collateral as may be necessary to perfect and continue the security interest granted herein.

All invoices issued by or on behalf of PCEA shall direct payment into the Lockbox Account. PCEA shall provide Collateral Agent with such proof of compliance with this Section 5.01 as Collateral Agent may reasonably request from time to time. Without the prior written consent of Collateral Agent (acting at the written direction of the Required Secured Creditors), PCEA shall not (a) terminate, amend, revoke or modify such payment instructions to PG&E or Customers or (b) direct or cause, directly or indirectly, PG&E or Customer to make any payments except in accordance with such payment instructions. The parties agree that if any such payments, or any other Proceeds of Collateral, are received by PCEA, (i) they shall be held in trust by PCEA for the benefit of the Collateral Agent, (ii) PCEA shall as promptly as possible remit or deliver same to Collateral Agent for application as provided herein, (iii) PCEA shall take such commercially reasonable steps as necessary to require such Customer or PG&E to make any future remittances into the Lockbox Account and (iv) such activity shall be reported promptly to Collateral Agent following PCEA's receipt of such funds. Collateral Agent thus has the right to all collections on the Collateral remitted to it by PG&E until the Discharge Date.

Collateral Agent waives all rights under the UCC to enforce rights in the Collateral by means of a sale or other foreclosure action; the Collateral shall be collected by Collateral Agent from PG&E pursuant to the Direction Letter.

5.03 Deficiency. If the Proceeds of the collection of the Collateral are insufficient to pay in full the Obligations, PCEA remains liable to Collateral Agent and Secured Creditors for any deficiency.

5.04 Attorney-in-Fact. Collateral Agent is hereby appointed the attorney-in-fact of PCEA to receive, endorse and collect all checks made payable to the order of PCEA representing any payment or other distribution in respect of the Collateral.

Section 6. Establishment of and Distributions From Deposit Accounts.

The deposits into the Deposit Accounts and all interest accumulated thereon shall be held and disbursed by the Depositary Bank in accordance with the terms and conditions of the Control Agreement and this Agreement. The Deposit Accounts are subject to the sole dominion, control and discretion of Collateral Agent until the Discharge Date. Until the Discharge Date, neither PCEA nor any person or entity claiming on behalf of or through PCEA shall have any right or authority, whether express or implied, to make use of, withdraw or transfer any funds or to give instructions with respect to disbursement of the Accounts other than Collateral Agent. Until the Discharge Date, subject to Section 6.02, Collateral Agent shall be entitled to exercise any and all rights in respect of or in connection with the Deposit Accounts including (i) the right to specify the amount of payments to be made from the Deposit Accounts, (ii) when such payments are to be made out of the Deposit Accounts and (iii) the right to withdraw funds for the payment of Obligations which are due and payable from the Deposit Accounts. Collateral Agent shall accept all funds remitted to the Deposit Accounts under this Agreement, and credit such funds as provided for in Section 6.02 below.

6.02 Priority of Distributions of Collateral. Proceeds of Collateral shall be allocated in accordance with this Section 6.02. On each Distribution Date, Collateral Agent shall distribute all funds in the Deposit Accounts or otherwise received on the Collateral in accordance with the following priority:

(i) *first*, to the On-Bill Repayment Account for any On-Bill Repayments deposited into the Lockbox Account;

(ii) *second*, to each PPA Provider in payment of amounts then due and owing to such PPA Provider for the Product delivered by such PPA Provider, and without giving effect to any Supplemental Payment owing to such PPA Provider, according to its Regular Sharing Percentage (any amounts payable to a PPA Provider under this subsection (ii) are the "**Regular Charges**");

(iii) *third*, to each PPA Provider in payment of any Supplemental Payment owing to it according to its Supplemental Sharing Percentage (excluding any Regular Charges received by such PPA Provider under the preceding subsection (ii));

(iv) *fourth*, to the Collateral Agent (as such and in its individual capacity) in respect of its reasonable out-of-pocket fees and expenses incurred under this Agreement, the Intercreditor Agreement or the Control Agreement that have been invoiced to PCEA, including, without limitation, payment of expenses incurred by the Collateral Agent which indemnity shall include the reasonable out of pocket attorneys' fees of outside counsel to the Collateral Agent; and

(v) *fifth*, unless an Event of Default shall exist as to PCEA, the balance, if any, after retention in the Deposit Accounts of the Reserve Amount, shall be returned to PCEA free and clear of the lien of this Agreement.

Collateral Agent shall rely, and shall be fully protected in relying, on a Distribution Date Certificate submitted to it by PCEA in making the above calculations, without any requirement that Collateral Agent verify the accuracy of such Distribution Date Certificate, subject to revision in the event of disputes resolved under Section 6.06.

6.03 Distribution Date Certificate. On or before three (3) Business Days before each Distribution Date, PCEA shall remit to Collateral Agent and each PPA Provider a certificate in substantially the form of Exhibit A hereto (the “**Distribution Date Certificate**”) prepared by PCEA itemizing each of the payments to be remitted under Section 6.02 above. The PPA Providers may share such Distribution Date Certificates with their respective accountants, legal counsel and other advisors.

6.04 Replenishing the Reserve Amount; No Waiver. Subject to Section 6.05, if at any time the balance in the Deposit Accounts is less than the Reserve Amount, then (a) the Collateral Agent shall within two (2) Business Days thereafter provide PCEA with written notice thereof and (b) PCEA shall deposit such shortfall amount into the Deposit Accounts not later than ten (10) Business Days after its receipt of such notice from Collateral Agent. The Collateral Agent shall have no duty or obligation to monitor or oversee PCEA’s replenishment of the Reserve Amount, and shall have no duty or obligation under this Section 6.04 other than to deliver the written notice required pursuant to 6.04(a). Nothing contained herein shall impair or otherwise limit PCEA’s obligations to timely make the payments required pursuant to any of the Transaction Agreements. It is expressly understood and agreed that the Collateral Agent shall have no liability for its failure to deliver any amounts required to be delivered by it pursuant to this Agreement or any other Transaction Agreement to the extent that such amounts are not then available in the Deposit Accounts.

6.05 Release of Reserve Amount. Except following and during the continuance of an Event of Default, if PCEA provides the Collateral Agent with a Letter of Credit for the benefit of the PPA Providers in an amount equal to the Reserve Amount, PCEA may request in writing and, upon receipt of such request, Collateral Agent shall instruct the Depository Bank to release and distribute the Reserve Amount to PCEA. All of the fees, costs and expenses associated with the Letter of Credit shall be borne by PCEA. PCEA shall thereafter cause the Letter of Credit to be maintained in full force and effect through the Discharge Date. If at any time the issuer of the Letter of Credit is no longer a Qualified Institution, then PCEA shall, within five (5) Business Days of such occurrence, either (a) provide Collateral Agent with a replacement Letter of Credit for the benefit of the PPA Providers issued by a Qualified Institution in an amount equal to the Reserve Amount or (b) fund the applicable Reserve Amount into the Lockbox Account.

6.06 Disputes. If a PPA Provider advises PCEA and Collateral Agent in writing that the calculations by PCEA in any Distribution Date Certificate are in its opinion materially incorrect, then PCEA and such PPA Provider shall attempt to resolve the discrepancy in good faith. If the parties are able to reach an agreement with respect to such discrepancy in advance of the relevant Distribution Date, PCEA shall remit to Collateral Agent and each PPA Provider a revised Distribution Date Certificate reflecting the agreed upon amounts, and the Collateral Agent shall disburse funds in accordance with such revised Distribution Date Certificate on the applicable Distribution Date, provided, however, that the Collateral Agent

shall have no liability whatsoever for any failure to disburse funds in accordance with a revised Distribution Date Certificate to the extent that it has not received such revised Distribution Date Certificate sufficiently in advance of the scheduled distribution. If the parties are unable to agree, they shall resolve such dispute in accordance with the dispute resolution provision of the Power Purchase Agreement between such PPA Provider and PCEA. In the interim, the Distribution Date Certificate originally submitted by PCEA shall be relied upon by Collateral Agent for purposes of making distributions from the Lockbox Account or any other Deposit Account of all undisputed amounts in accordance with Section 6.02, and the Collateral Agent shall make no distribution in respect of any disputed amount until such time as it has received a revised Distribution Date Certificate.

6.07 Earnings on Deposit Accounts. PCEA shall establish the Deposit Accounts as a non-interest bearing account, provided that PCEA may invest the Collateral in Permitted Investments. In furtherance of the foregoing and upon receipt of written instruction from PCEA, the Collateral Agent may invest and reinvest such funds in one or more Permitted Investments designated by PCEA in such written instructions. To the extent such Permitted Investments are mutual funds for which Wilmington Trust, National Association or its affiliate acts as investment advisor, or other service provider, such as a provider of shareholder servicing and distribution services, the parties acknowledge and agree that (i) Wilmington Trust, National Association or such affiliate may be compensated by such mutual fund for services rendered in such capacity provided that such compensation is described in detail in the prospectus for such mutual fund, and (ii) such compensation is in addition to the compensation, if any, paid to Wilmington Trust, National Association, in its capacity as Collateral Agent, hereunder. It is expressly understood that, in the absence of written instruction from PCEA regarding the investment of funds in Permitted Investments, such funds will remain uninvested.

6.08 Rights and Remedies. If an Event of Default shall have occurred and is continuing, Collateral Agent, without any other notice to or demand upon PCEA, shall have in any jurisdiction in which enforcement hereof is sought, in addition to all other rights and remedies, the rights and remedies of a secured party under the UCC and any additional rights and remedies as may be provided to a secured party in any jurisdiction in which Collateral is located. In addition, **PCEA HEREBY WAIVES ANY AND ALL RIGHTS THAT IT MAY HAVE TO A JUDICIAL HEARING IN ADVANCE OF THE ENFORCEMENT OF COLLATERAL AGENT'S RIGHTS AND REMEDIES HEREUNDER, INCLUDING ITS RIGHT FOLLOWING AN EVENT OF DEFAULT TO TAKE IMMEDIATE POSSESSION OF THE COLLATERAL AND TO EXERCISE ITS RIGHTS AND REMEDIES WITH RESPECT THERETO.** Collateral Agent shall only act at the written instruction of the Required Secured Creditors in (a) taking any action under this Agreement, the Intercreditor Agreement or any Control Agreement with respect to the Collateral following an Event of Default and (b) asserting any claim under this Agreement, the Intercreditor Agreement or any Control Agreement. Notwithstanding the foregoing, if Collateral Agent deems it prudent to take reasonable actions, without the instruction of a Secured Creditor, to protect the Collateral, it may (but shall be under no obligation to) do so and thereafter provide written notice to all the Secured Creditors of such actions, and no provision of this Agreement shall restrict Collateral Agent from exercising such rights and no liability shall be imposed on Collateral Agent for omitting to exercise such rights.

6.09 No Waiver by Collateral Agent. Collateral Agent shall not be deemed to have waived any of its rights and remedies in respect of the Obligations or the Collateral unless such waiver shall be made in writing and signed by Collateral Agent (acting at the written direction of the Required Secured Creditors). No delay or omission on the part of Collateral Agent in exercising any right or remedy shall operate as a waiver of such right or remedy or any other right or remedy. A waiver on any occasion shall not be construed as a bar to or a waiver of any right or remedy on any future occasion. All rights and remedies of Collateral Agent with respect to the Obligations or the Collateral, whether evidenced hereby or by any other instrument or papers, may be exercised by Collateral Agent (acting at the written direction of the Required Secured Creditors), shall be cumulative and may be exercised singularly, alternatively, successively or concurrently at such time or at such times as Collateral Agent (acting at the written direction of the Required Secured Creditors) deems expedient.

6.10 Waivers by PCEA. To the extent permitted by applicable law, PCEA hereby waives demand, notice, protest, notice of acceptance of this Agreement, notice of loans made, credit extended, collateral received or delivered or other action taken in reliance hereon and all other demands and notices of any description.

6.11 Marshalling. **TO THE EXTENT THAT IT LAWFULLY MAY, PCEA HEREBY AGREES THAT IT WILL NOT INVOKE ANY LAW RELATING TO THE MARSHALLING OF COLLATERAL WHICH MIGHT CAUSE DELAY IN OR IMPEDE THE ENFORCEMENT OF COLLATERAL AGENT'S RIGHTS AND REMEDIES UNDER THIS AGREEMENT OR UNDER ANY OTHER INSTRUMENT CREATING OR EVIDENCING ANY OF THE OBLIGATIONS OR UNDER WHICH ANY OF THE OBLIGATIONS IS OUTSTANDING OR BY WHICH ANY OF THE OBLIGATIONS IS SECURED OR PAYMENT THEREOF IS OTHERWISE ASSURED, AND, TO THE EXTENT THAT IT LAWFULLY MAY, PCEA HEREBY IRREVOCABLY WAIVES THE BENEFITS OF ALL SUCH LAWS.**

Section 7. Miscellaneous.

7.01 Notices. Except as otherwise expressly provided herein, all notices, consents and waivers and other communications made or required to be given pursuant to this Agreement shall be in writing and shall be delivered by hand, mailed by registered or certified mail or prepaid overnight air courier, or by facsimile communications, addressed to the relevant party as provided below their signatures to this Agreement or at such other address for notice as PCEA or Collateral Agent shall last have furnished in writing to the Person giving the notice. A notice addressed as provided herein that (i) is delivered by hand or overnight courier is effective upon delivery, (ii) that is sent by facsimile communication is effective if made by confirmed transmission at a telephone number designated as provided herein for such purpose, and (iii) that is sent by registered or certified mail is effective on the earlier of acknowledgement of receipt as shown on the return receipt or three (3) Business Days after mailing.

7.02 No Waiver. No failure on the part of the Collateral Agent to exercise, and no course of dealing with respect to, and no delay in exercising, any right or power hereunder shall operate as a waiver thereof.

7.03 Amendments. The terms of this Agreement may be waived, altered or amended only by an instrument in writing duly executed by PCEA and Collateral Agent.

7.04 Expenses. If PCEA fails to do so, Collateral Agent may, upon receipt from the Required Secured Creditors of written direction and such sums as may be necessary in connection therewith, discharge taxes and any other Liens or encumbrance at any time levied or placed on any of the Collateral. PCEA agrees to reimburse Collateral Agent on demand for any such expenditures made by Collateral Agent, and the Collateral Agent promptly upon receipt thereof shall remit such reimbursed sums to the Required Secured Creditors. For the avoidance of doubt, it is expressly understood and agreed that the Collateral Agent shall not use or expend its own funds in connection with such taxes, Liens or encumbrances. Collateral Agent shall have no obligation to make any such expenditure nor shall the making thereof be construed as a waiver or cure of any Event of Default. PCEA agrees to reimburse Collateral Agent (as such and in its individual capacity) for all reasonable costs and expenses incurred by it (including the reasonable fees and expenses of legal counsel) in connection with (i) the performance by Collateral Agent of its duties under this Agreement, the Intercreditor Agreement or the Control Agreements, (x) protecting, defending or asserting rights and claims of the Collateral Agent in respect of the Collateral, (y) litigation relating to the Collateral, and (z) workout, restructuring or other negotiations or proceedings, and (ii) the enforcement of this Section 7.04, and all such reasonable costs and expenses shall be Obligations entitled to the benefits of the collateral security provided pursuant to Section 2.

7.05 Duty of Care; Earnings. Collateral Agent shall have no duty or obligation with respect to the Collateral except for its contractual obligations under this Agreement, the Intercreditor Agreement or a Control Agreement. The Collateral Agent shall have no duty or obligation as to the collection or protection of the Collateral or any income thereon, nor as to the preservation of rights against any Person, beyond the safe custody of any Collateral in the Collateral Agent's possession or control. Without limiting the generality of the foregoing, Collateral Agent shall have no duty (a) other than to instruct PCEA as set forth in Section 4.05 hereof, to see to any recording or filing of any financing statement evidencing a security interest in the Collateral, or to see to the maintenance of any such recording or filing, (b) to see to the payment or discharge of any tax, assessment or other governmental charge or any lien or encumbrance of any kind owing with respect to, assessed or levied against any part of the Collateral, (c) to confirm or verify the contents of any reports or certificates delivered to Collateral Agent believed by it to be genuine and to have been signed or presented by the proper party or parties, or (d) to ascertain or inquire as to the performance of observance by any other Person of any representations, warranties or covenants. Collateral Agent may require an officer's certificate or an opinion of counsel before acting or refraining from acting, and Collateral Agent shall not be liable for any action it takes or omits to take in good faith in reliance on an officer's certificate or an opinion of counsel.

7.06 Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the respective successors and permitted assigns of PCEA, the Secured Creditors, and the Collateral Agent (provided that PCEA shall not assign, transfer or delegate its rights or obligations hereunder without the prior written consent of Collateral Agent) and Collateral Agent shall only transfer or assign its rights hereunder in connection with a resignation or removal from its capacity as Collateral Agent in accordance with the terms of the Intercreditor Agreement).

This Agreement shall create a continuing security interest in the Collateral and shall remain in full force and effect in accordance with Section 7.12, and be binding upon PCEA, its successors and assigns, and inure, together with the rights of Collateral Agent hereunder, to the benefit of the Collateral Agent and its successors, transferees and assigns.

7.07 Counterparts. This Agreement and any related amendment or waiver may be executed in several counterparts and by each party on a separate counterpart, each of which when so executed and delivered shall be an original, but all of which together shall constitute one instrument. In proving this Agreement it shall not be necessary to produce or account for more than one such counterpart signed by the party against whom enforcement is sought. A facsimile of a signature page hereto shall be as effective as an original signature.

7.08 GOVERNING LAW; JURISDICTION. THIS AGREEMENT SHALL BE GOVERNED BY, CONSTRUED IN ACCORDANCE WITH, AND ENFORCED UNDER, THE LAWS OF THE STATE OF CALIFORNIA, WITHOUT REGARD TO THE PRINCIPLES OF CONFLICTS OF LAW OF SUCH STATE. EACH PARTY TO THIS AGREEMENT HEREBY IRREVOCABLY AGREES THAT ANY LEGAL ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR ANY OTHER TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY MAY BE BROUGHT IN THE COURTS OF THE UNITED STATES OF AMERICA FOR THE NORTHERN DISTRICT OF CALIFORNIA OR, IF SUCH COURT DOES NOT HAVE SUBJECT MATTER JURISDICTION, THE COURTS OF THE STATE OF CALIFORNIA AND HEREBY EXPRESSLY SUBMITS TO THE PERSONAL JURISDICTION AND VENUE OF SUCH COURTS FOR THE PURPOSES THEREOF AND EXPRESSLY WAIVES ANY CLAIM OF IMPROPER VENUE AND ANY CLAIM THAT ANY SUCH COURT IS AN INCONVENIENT FORUM. EACH PARTY HEREBY IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS OF ANY OF THE AFOREMENTIONED COURTS IN ANY SUCH SUIT, ACTION OR PROCEEDING BY THE MAILING OF COPIES THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, TO ITS NOTICE ADDRESS APPLICABLE TO THIS AGREEMENT, SUCH SERVICE TO BECOME EFFECTIVE 10 DAYS AFTER SUCH MAILING.

7.09 WAIVER OF JURY TRIAL. EACH PARTY TO THIS AGREEMENT HEREBY WAIVES ITS RIGHT TO A JURY TRIAL WITH RESPECT TO ANY ACTION OR CLAIM ARISING OUT OF ANY DISPUTE IN CONNECTION WITH THIS AGREEMENT, ANY RIGHTS OR OBLIGATIONS HEREUNDER, OR THE PERFORMANCE OF SUCH RIGHTS AND OBLIGATIONS.

7.10 CONSENT TO INJUNCTIVE RELIEF. WITHOUT LIMITING ANY OTHER RIGHTS OR REMEDIES THAT COLLATERAL AGENT MAY HAVE, PCEA ACKNOWLEDGES THAT ITS VIOLATION OF SECTION 5.01 WOULD RESULT IN IRREPARABLE INJURY TO COLLATERAL AGENT FOR WHICH NO ADEQUATE REMEDY AT LAW WOULD BE AVAILABLE. ACCORDINGLY, PCEA HEREBY (I) CONSENTS TO THE ENTRY OF AN IMMEDIATE EX-PARTE INJUNCTION, TEMPORARY RESTRAINING ORDER, AND/OR PERMANENT INJUNCTION TO ENFORCE THE PROVISIONS OF SECTION 5.01, IN ADDITION TO ANY OTHER REMEDIES AVAILABLE AT LAW OR IN EQUITY AND (II)

WAIVES ANY DEFENSE THAT ADEQUATE REMEDIES ARE AVAILABLE AT LAW AND ANY REQUIREMENT THAT A BOND OR ANY OTHER SECURITY BE POSTED IN CONNECTION WITH THE ENTRY OF ANY RESTRAINING ORDER OR INJUNCTION.

7.11 Captions. The captions and section headings appearing herein are included solely for convenience of reference and are not intended to affect the interpretation of any provision of this Agreement.

7.12 Termination. Unless earlier terminated in writing by the parties hereto, this is a continuing security agreement and the grant of a security interest under this Agreement shall remain in full force and effect and all the rights, powers and remedies of Collateral Agent hereunder shall continue to exist until: (a) the Obligations are paid in full as the same becomes due and payable; (b) the PPA Providers have no further obligation to deliver products or render services (including credit support services) to, or on behalf of, PCEA; (c) PCEA has no further obligations to the PPA Providers under any of the Transaction Agreements; and (d) the PPA Providers, upon request of PCEA, have executed a written termination statement, and Collateral Agent has reassigned to PCEA, without recourse, the Collateral and all rights conveyed hereby and returned possession of the Collateral to PCEA. Furthermore, it is contemplated by the parties that there may be times when no Obligations are owing; but notwithstanding such occurrences, this Agreement shall remain valid and shall be in full force and effect as to subsequent Obligations, provided Collateral Agent has not executed a written agreement terminating this Agreement. This Agreement shall continue irrespective of the fact that the liability of any other obligor may have ceased, or irrespective of the validity or enforceability of the Transaction Agreements, to which any other obligor may be a party, and notwithstanding the reorganization or bankruptcy of PCEA, or any other event or proceeding affecting PCEA or any other obligor. At PCEA's request, Collateral Agent shall, at PCEA's reasonable expense, instruct Depositary Bank to release all assets credited to the Deposit Accounts to PCEA, and Collateral Agent shall also execute such other documentation as shall be reasonably requested by PCEA to effect the termination and release of the liens on the Collateral, including notice to PG&E that the Direction Letter is terminated.

7.13 Severability. The provisions of this Agreement are intended to be severable. If for any reason any of the provisions of this Agreement shall be held invalid or unenforceable in whole or in part in any jurisdiction, such provision shall, as to such jurisdiction, be ineffective to the extent of such invalidity or unenforceability without in any manner affecting the validity or enforceability thereof in any other jurisdiction or the remaining provisions thereof in any jurisdiction.
