PCEA agrees to pay Contractor
compensation for services performed in connection of such transfer, to the extent not contemplated in the Agreement.

5. **Transition At Time Of Termination Or Expiry.** In the event of termination or expiry of this Agreement, in whole or in part, Contractor shall take commercially reasonable steps to ensure the orderly and effective transition of the services to PCEA and/or a successor contractor (“Transition Assistance”).

   c. **Transition Assistance Period.** The Transition Assistance Period means a period of such duration as is mutually agreed upon by both parties but be limited to a maximum of six (6) months commencing on the earlier of:

      iii. the expiry of the initial term or any extended term (as the case may be).

   d. **Transition Assistance Election.** During the Transition Assistance Period, the services will be discontinued or transitioned to a Successor Contractor at PCEA’s discretion and such transition shall then be performed in accordance with the Transition Assistance plan and this Section. From the commencement of the Transition Assistance Period and until a date pre-agreed or such provided to Contractor by PCEA with a minimum of thirty (30) days’ notice. All the terms and conditions of this Agreement will remain unchanged during the Transition Assistance Period (including but not limited to rates and charges, discounts, credits, waivers, service levels and key personnel).

   e. **Transition Assistance Planning.** Promptly following the commencement of the Transition Assistance Period (and in any event within fourteen (14) days), or earlier at the request of PCEA, Contractor shall develop with reasonable assistance from PCEA a written transition assistance plan specifying in detail all activities, and the corresponding timing of such activities, necessary to facilitate an orderly and effective transition of the Services
("Transition Plan"). The Transition Plan shall include sections setting out in detail how Contractor will satisfy the specific obligations described in paragraph 5.f below.

f. **Transition Assistance Obligations for Call Center Services (Exhibit A, Section d)**

   The Transition Assistance provided by Contractor during the Transition Assistance Period shall include the following services at no additional charge to PCEA:

Contractor shall provide to PCEA data and documentation, in a format or formats acceptable to PCEA, and other information reasonably requested by PCEA in connection with the transition that is sufficient to enable successor contractor to fully assume the provision of the transitioning services.

   The processes, systems, and people related to the Data Manager Services within this agreement that are proprietary to Contractor, or which are the Confidential Information of Contractor, will not be included in the Transition Assistance Planning. The Parties agree that damages would be an inadequate remedy Contractor to protect its Confidential Information and therefore Contractor shall be entitled to seek equitable relief in connection therewith, provided that any damages shall be subject to the limitations of Article 22, below. “Confidential
Information” means information and/or material of a confidential nature (trade secrets and information of a commercial value, including but not limited to research, developmental, engineering, technical, marketing, sales, products, goods, legal, financial, pricing, operating, performance, cost, customer, business and process information or data, trade secrets, discoveries, ideas, designs, data, source code, object code, processes, computer programs, developments, flow diagrams, know-how, internal systems and computer programming and other software and software techniques) of Contractor which becomes known to PCEA in connection with Contractor’s provision of the services as well as any information regarding Contractor’s business practices and related information, to the extent it is not public knowledge or has not been made public knowledge as a result of PCEA’s actions. Nothing in this paragraph shall be interpreted to limit PCEA’s responsibilities for disclosure pursuant to the California Public Records Act, California Government Code Sections 6250-6276.48.

6. **Contract Materials**

At the end of this Agreement, or in the event of termination, PCE data and any reports, and other written materials specifically prepared for PCEA (collectively referred to as “contract materials”) shall be promptly delivered to PCEA. For the avoidance of doubt, Contractor’s intellectual property, including but not limited to Contractor’s internal systems, know-how, programs and work product shall remain the exclusive property of Contractor, and, with regard to any reports prepared specifically for PCEA, PCEA shall have a perpetual, non-exclusive, royalty free (exclusive of payments made under this Agreement) license to use any such reports on an “as is” basis thereafter.

7. **Relationship of Parties**

Contractor agrees and understands that the work/services performed under this Agreement are performed as an independent contractor and not as an employee of PCEA and that neither Contractor nor its employees acquire any of the rights, privileges, powers, or advantages of PCEA employees. PCEA agrees and understands that Contractor may provide the same or similar services to other parties.

8. **Hold Harmless**

a. **General Hold Harmless**

Contractor shall, to the extent of its own negligence and/or willful misconduct (including that of any of Contractor’s employees and subcontractors) only, indemnify and save harmless PCEA and its officers, agents, employees, and servants from all claims, suits, or actions of every name, kind, and description resulting from this Agreement, the performance of any work or services required of Contractor under this Agreement, or payments made pursuant to this Agreement brought for, or on account of, any of the following:

(B) damage to any property of any kind whatsoever and to whomsoever belonging; or

(C) any other loss or cost.

The duty of Contractor to indemnify and save harmless as set forth by this Section shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

This Hold Harmless shall apply only to the extent of the Contractor’s acts and omissions, which shall be deemed to include any contractor, subcontractor, agent, and/or employee of the Contractor. In addition to the stated parties, the Contractor shall include any other person or entity under Contractor’s direction and control.

9. **Assignability and Subcontracting**

Contractor shall not assign this Agreement or any portion of it to a third party, (other than an Affiliate of Contractor) or subcontract with a third party to provide services required by Contractor under this Agreement without the prior written consent of PCEA, which shall not be unreasonably withheld, conditioned or delayed. Any such assignment or subcontract without PCEA’s prior written consent shall give PCEA the right to automatically and immediately terminate this Agreement without penalty or advance notice. “Affiliate” shall mean any person or entity that controls, is controlled by, or is under common control with Contractor.

PCEA acknowledges that Contractor utilizes Energy Choice California as a subcontractor for the services provided herein and agrees that Contractor’s continued use of Energy Choice California as a subcontractor, in and of itself, does not violate this Article 9.

10. **Payment of Permits/Licenses**

Contractor bears responsibility to obtain any license, permit, or approval required from any agency for work/services to be performed under this Agreement at Contractor’s own expense prior to commencement of said work/services.

11. **Insurance**

   a. **General Requirements**

Contractor shall not commence work or be required to commence work under this Agreement unless and until all insurance required under this Section has been obtained and such insurance has been approved by PCEA, and Contractor shall use diligence to obtain such insurance and to obtain such approval. Contractor shall furnish PCEA with certificates of insurance evidencing the required coverage, and there shall be a specific contractual liability endorsement extending Contractor’s coverage to include the contractual liability assumed by Contractor pursuant to this Agreement. Contractor shall provide notice
within a reasonable time period not to exceed thirty (30) days in writing, to PCEA of any pending material change in the limits of liability or of any cancellation or material modification of the policy. Such notice shall be provided to PCEA within thirty (30) days of Contractor receiving such notice.

b. **Workers’ Compensation and Employer’s Liability Insurance**

Contractor shall have in effect during the entire term of this Agreement workers’ compensation and employer’s liability insurance providing full statutory coverage. In signing this Agreement, Contractor certifies, as required by Section 1861 of the California Labor Code, that (a) it is aware of the provisions of Section 3700 of the California Labor Code, which require every employer to be insured against liability for workers’ compensation or to undertake self-insurance in accordance with the provisions of the Labor Code, and (b) it will comply with such provisions before commencing the performance of work under this Agreement.

c. **Liability Insurance**

Contractor shall take out and maintain during the term of this Agreement such bodily injury liability and property damage liability insurance as shall protect Contractor and all of its employees/officers/agents while performing work covered by this Agreement from any and all claims for damages for bodily injury, including accidental death, as well as any and all claims for property damage which may arise from Contractor’s operations under this Agreement, whether such operations be by Contractor, any subcontractor, anyone directly or indirectly employed by either of them, or an agent of either of them. Such insurance shall be combined single limit bodily injury and property damage for each occurrence and shall not be less than the amounts specified below:

- ☒ Comprehensive General Liability… $1,000,000
  
  (Applies to all agreements)

In the event of the breach of any provision of this Section, or in the event any notice is received which indicates any required insurance coverage will be diminished or canceled, PCEA, at its option, may,
notwithstanding any other provision of this Agreement to the contrary, immediately declare a material breach of this Agreement and suspend all further work and payment pursuant to this Agreement.

12.  **Compliance With Laws**

All services to be performed by Contractor pursuant to this Agreement shall be performed in accordance with all applicable Federal, State, County, and municipal laws, ordinances, and regulations, including but not limited to the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the Federal Regulations promulgated thereunder, as amended (if applicable), the Business Associate requirements set forth in Attachment H (if attached), the Americans with Disabilities Act of 1990, as amended, and Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination on the basis of disability in programs and activities receiving any Federal or County financial assistance. ☒ Contractor complies with Chapter 2.84 by offering the same benefits to its employees with spouses and its employees with domestic partners.

☐ Contractor complies with Chapter 2.84 by offering, in the case where the same benefits are not offered to its employees with spouses and its employees with domestic partners, a cash payment to an employee with a domestic partner that is equal to Contractor’s cost of providing the benefit to an employee with a spouse.

☐ Contractor is exempt from having to comply with Chapter 2.84 because it has no employees or does not provide benefits to employees’ spouses.

☐ Contractor does not comply with Chapter 2.84, and a waiver must be sought.

e. **Discrimination Against Individuals with Disabilities**

The nondiscrimination requirements of 41 C.F.R. 60-741.5(a) are incorporated into this Agreement as if fully set forth here, and Contractor and any subcontractor shall abide by the requirements of 41 C.F.R. 60–741.5(a). This regulation prohibits discrimination against qualified individuals on the basis of disability and requires affirmative action by covered prime contractors and subcontractors to employ and advance in employment qualified individuals with disabilities.

Such duty shall include reporting of the filing of any and all charges with the Equal Employment Opportunity Commission, the Fair Employment and Housing Commission, or any other entity charged with the investigation or adjudication of allegations covered by this subsection within 30 days of such filing, provided that within such 30 days such entity has not notified Contractor that such charges are dismissed or otherwise unfounded. Such notification shall include a general description of the circumstances involved and a general description of the kind of discrimination alleged (for example, gender-, sexual orientation-, religion-, or race-based discrimination).

By signing this Agreement, Contractor certifies that it has and adheres to a policy consistent with Chapter 2.85. For purposes of this Section, if Contractor has no employees in San Mateo County, it is sufficient for Contractor to provide the following written statement to County: “For purposes of San Mateo County’s jury service ordinance, Contractor certifies that it has no full-time employees who live in San Mateo County. To the extent that it hires any such employees during the term of its Agreement with San Mateo County, Contractor shall adopt a policy that complies with Chapter 2.85 of the County’s Ordinance Code.” The requirements of Chapter 2.85 do not apply if this Agreement’s total value listed Section 2, above, is less than one-hundred thousand dollars ($100,000), but Contractor acknowledges that Chapter 2.85’s requirements will apply if this Agreement is amended such that its total value meets or exceeds that threshold amount.
