

## **2018 Electric Vehicle Program Administration Request for Proposals**

### **Q&A Responses**

*Peninsula Clean Energy is San Mateo County's locally-controlled electricity provider. We are reducing greenhouse gas emissions and offering customer choice at competitive rates.*

**Offers due Thursday, August 30, 2018 at 5:00 pm PT**

| # | Question  | Answer  |
|---|---|---|
| 1 | <p>On page 3, Section 5 Proposal Submittal of the EV Program Demonstration RFP, it states under "Notes on the Proposal content:"</p> <p>2. The cost proposal must breakout costs between the two proposed programs (New Vehicle Promotion and Low-Income Incentive).</p> <p>There is no Scope of Work for the "Low-Income Incentive." Are we still required to submit a cost proposal for this program?</p> | This part of the RFP is an error and can be ignored.  |
| 2 | Scope of Work Items 1 and 1.1, can you confirm that PCE will be administering the competitive process to select dealers to participate in the EV sales promotion?   | Yes, PCE will be administering the dealer selection process.                                    |
| 3 | Scope of Work Item 2.3, what is the timeframe within which you would like the final report to be submitted?   | Ideally within 2 months after the program end date of December 31, 2018 but this is negotiable. |
