- ✓ Budgeting and money management
- ✓ Vehicle loan processes, incentives, and tools

RSVP for the workshop at
peninsulacleanenergy.com/DriveForwardElectric

About the DriveForward Electric Program

PFS' DriveForward program provides affordable vehicle loans to help income qualifying individuals purchase reliable used vehicles and begin the process of strengthening their personal and financial stability. PCE is partnering with PFS to offer a \$4,000 incentive to qualifying San Mateo County residents who purchase a used plug-in hybrid electric vehicle through the DriveForward Electric program. The incentive will be applied as a vehicle down payment directly to the dealer and does not have to be repaid. For more information, email mtorres@peninsulafamilysevice.org
