

Disadvantaged Communities Green Tariff (DAC-GT)

You have received this insert because you are currently receiving a discount as part of the **Disadvantaged Communities Green Tariff DAC-GT** special discount program that provides 100% solar energy and an additional 20% discount on your total electric bill. Peninsula Clean Energy calls this program **Green Access**. You will remain on this discount program when you are automatically enrolled with Peninsula Clean Energy.

NOTE: If you choose to opt out of Peninsula Clean Energy and you want to remain in this special discount program (which PG&E calls Green Saver), you must opt out within 60 days after beginning Peninsula Clean Energy service. If you opt out after that 60-day time period, you may not be able to automatically keep this discount. PG&E will place you on a waiting list of eligible customers and you may be re-enrolled at a future date if program capacity becomes available.

Green Access (DAC-GT) Program Overview

- You get a 20% discount on your total electric bill and have access to 100% solar energy
- You continue to receive these benefits after transitioning to Peninsula Clean Energy
- Discount will appear on your bill (but on a different page than it currently appears)
