PENINSULA CLEAN ENERGY - FRB

Period from April 1, 2023 to June 30, 2023

Bonds: 98.91%
Cash Equiv & Accr: 1.09%
TO: Honorable Peninsula Clean Energy Authority Audit and Finance Committee

FROM: Andy Stern, Chief Financial Officer

SUBJECT: Revise Policy #14 – Delegation of Authority Policy

RECOMMENDATION:
Recommend approval by the full Board of Directors approve a revised Policy #14 at its meeting on August 22, 2023

BACKGROUND:
Policy #14, Delegation of Authority, lays out the authority for who can approve non-energy contracts, who can sign such contracts, and which employees can commit the organization to financial obligations. Policy #14 was first approved by Peninsula Clean Energy’s Board of Directors on November 16, 2017, when Peninsula Clean Energy had very few employees and limited operations. It was amended on January 24, 2019, following the appointment of Peninsula Clean Energy’s first Chief Financial Officer (CFO) to authorize the CFO to approve some limited transactions and to diversify some approval authority beyond a select few financial operations personnel. On January 26, 2023, following the appointment of Peninsula Clean Energy’s first Chief Operating Officer (COO), the policy was amended to authorize the COO to approve some limited transactions and to further diversify the approval authority.

Now that Peninsula Clean Energy has grown significantly and matured in its operations, Staff recommends further expansion of authority to streamline operations and place some limited responsibility for the approval of commitments by several senior-level staff who are closer to the specific area of commitment for better scrutiny of necessity and reasonableness.

DISCUSSION:
Peninsula Clean Energy employee organization calls for 3 senior-level employees including a Chief Executive Officer (CEO), Chief Operating Officer (COO), and a Chief Financial Officer (CFO). Given the significant and diverse operations that PCE is now engaged in, Staff recommends that the authority to sign contracts that commits PCE, for amounts which are not greater than $100,000 in any fiscal year, be granted to the CEO, COO, and CFO.
Subject: Delegation of Non-Energy Contracts Commitment and Financial Authority Policy

1.0 PURPOSE:
Peninsula Clean Energy (PCE) is committed to effective and efficient management of its operations and finances. The purpose of this policy is to:
- Establish the principles that govern the delegation of non-energy contracting and financial commitment authority.

SUBJECT: Revise Policy #17 – Disbursement (and Invoice Payment) Policy

RECOMMENDATION:
Recommend approval by the full Board of Directors approve a revised Policy #17 at its meeting on August 24, 2023

BACKGROUND:
Policy #17, Disbursement Policy, was first approved by PCE’s Board of Directors on May 24, 2018, when PCE had very few employees and limited operations. It was amended on January 24, 2019, following the appointment of PCE’s first Chief Financial Officer (CFO) to authorize the CFO to oversee much of the disbursement of funds in payment of approved invoices due to vendors. Now that PCE has grown significantly and matured in its operations, Staff recommends that Policy #17 be renamed as the Disbursement and Invoice Payment Policy and to further lay out the roles and responsibilities for approval of invoices due by PCE. The expansion is intended to lay out multiple layers of approval based on the type of expense and the amount to provide better controls and oversight of expenses.

DISCUSSION:
The proposed revisions to Policy #17 fall into several categories that are discussed below:

Invoice Approval Process – The revised policy describes in detail who must approve each type of expense and how many approvals are required based on the amount and type. This ensures that all expenses are reviewed and approved by the most senior person associated with the expense along with the CFO.

- Invoices Due to Vendors Other than for Power Resources
  i. Up to $10,000 – Level 1. Responsible area Manager or Director
  ii. Over $10,000 to $100,000 – Level 2. Responsible area Manager AND Director
  iii. Over $100,000 – Level 3. CEO or COO
iv. All invoices – CFO review and approval is required in addition to others above listed above as listed in subsections i, ii, or iii, as applicable.

- **Power Resources Energy Activities** (see list of categories in redline and clean version of the policy)
  i. Up to $3,000,000 – Level 1 and Level 2 are both required. Responsible area Manager AND Director are both required to approve. This encompasses most transactions.
  ii. Over $3,000,000 – Level 1, Level 2, and CEO are all required to approve. In the 10 months from July 1, 2022, through April 30, 2023, 378 payments were made. Of those, 14 were over $3,000,000 and 137 were under $100,000.
  iii. All invoices – CFO review and approval is required in addition to others above listed in subsections i, ii, or iii, as applicable.

- **Power Resources Administration Activities** (see list of categories in redline and clean version of the policy)
  i. Up to $10,000 – Level 1. Responsible area Manager or Director
  ii. Over $10,000 to $100,000 – Level 2. Responsible area Manager AND Director
  iii. Over $100,000 – Level 3. CEO or COO
  iv. All invoices – CFO review and approval is required in addition to others above listed in subsections i, ii, or iii, as applicable.

**Payment Process** – The revised policy describes in detail who is required to authorize release of payment, by payment type.

- **Standard ACH or vendor check**
  o CFO is required to release payment once all required approvals have been received.

- **Wire Transfer** – separation of authority required as standard operating procedure.
  o Maher Accountancy initiates wire set-up
  o CFO approves each wire.
  o CEO releases each wire.
  o Note: In instances where one of the above personnel is not available on a timely basis, at least 2 people must be involved in any wire release.

- **Manual Check** – very limited use, and only if required by vendor.

The Director of Finance and Administration can sign checks up to $1000 only after written approval from the CEO or CFO. Manual checks over $1,000 must be co-signed by any two of these signatories (CEO, CFO, Director of Finance and Administration) as long as such signatures are in compliance with the limits of Section 5 of PCE’s Delegation of Authority Policy. PCE staff should attempt to keep the use of manual checks to a minimum.

6.3 FRB will place a debit block to protect the account against fraud or unauthorized payments.
6.4 Direct Debit Vendors: At times, certain vendors or taxing authorities will only transact with PCE if we allow them to direct debit (extract funds) from a PCE-designated bank account. All vendors with this requirement will be preapproved by the CFO. The CFO, or his/her designee, will maintain a list of all vendors that fall into this category. PCE will attempt to keep the number of vendors with this type of arrangement to a minimum.

7.0 Segregation of Duties for Wire Transfers:

7.1 To ensure appropriate processing of payments, PCE staff must follow the approved segregation of duties to ensure that the same person cannot setup/initiate a wire and approve the payment. Any such wire release must be approved by either the CFO or the CEO.

7.2 If the CFO and CEO are not available to approve the wire, the Chair of the Board may approve it. If the Chair of the Board is not available to approve the wire, the Vice Chair may approve it.
